

Please know that I am alone

Wishing for prayers to be answered

hoping that my luck will change

Seeking to give my pre-owned

like new heart to a woman

Who lies in the sun and not to my face

Please become real

Why must you mock us

with your stolen light

Favorite passage from the "Book Thief"
by Markus Zusak

I witness the ones who are left behind,
Crumbling among the jigsaw puzzle of
realization, despair and surprise. They have
punctured hearts. They have beaten lungs.
