

GREEN CHICKENHEAD PROVIDES BLEMISHED POTATOES

SOLIANT GREEN TO BE NEXT

\* \* \* \* \*

Our illustrious Food Sevices Director, The Green Chickenhead, has arranged for us to be part of the "Free The Blemished Potatoe" campaign; an effort to ~~END~~ discrimination against rotten potatoes. The Head has arranged for us to be fed blemished/rotten potatoes and was heard muttering in his "Glass Houses" office, "One potato, two potato, three potato, four..." as his spun the Captain Queeg ball bearings between his fingers. It is rumored that next month the Chinese Stir Fry will be replaced with "Soliant Green", which of course is ground people. This will enable more Chicken Cordon Bleu, Chicken Fingers, and Beef Wellington to go into the pigs "Overtime" meals. This will all be done to the tune of "In The Navy" which The Head co-wrote with the Indian and Construction Worker from The Village People.

**THESE POTATOES ARE  
UNGRADED AND MAY  
BE AFFECTED BY  
VARIOUS BLEMISHES  
AND/OR DEFECTS WHICH  
MAY BE PEELED AWAY  
PRIOR TO CONSUMPTION**

THIS  
SPUDS  
FOR  
YOU!

ROTTER

STAIN

"let them eat rotten potatoes!"
