"An Alternative Form of Rehabilitation"

FREE SPEECH CENTRAL

The following portrait was drawn by Brian Joseph Gaboriault, a talented prison artist. Brian did not respond well to the traditional (and proven ineffective) prison rehabilitation programs and has undertaken portrait drawing in order to heal himself. We salute his efforts and laud his talent.

You can contact Brian directly at;

Brian J. Gaboriault, #W63711

Ask him about personal healing or any other non-traditional topic you may be interested in.

FREE SPEECH CENTRAL will feature the non-traditional healing efforts of other men in prison as they are a direct response to the failure of the department of correction to do their job.

Let us know what topics you might be interested in? We will do our best to report on them. Thank you.
