

External Vice President, Rob Pezzeca, Needs You

2/27/17: 6:20am, Listening to:

Good Morning, I wanted to briefly talk about my new job in the Lifers Organization. My job is to locate people in the world who would be willing to assist us in contacting politicians by phone & e-mail. Any organizations that are willing to help us, maybe we can help them in return. I just wrote a letter to the Youth Art & Self Empowerment Project in Philly, they have a mentoring program for at-risk kids, we are currently creating our own mentoring program in here. So maybe we can help them & they can help us. Anyone out there who has the time & is willing to make phone calls or send some e-mails to Pa State Reps, please let me know. You can sign up to e-mail me & we can go from there. My sole job is to fight for parole for lifers & I am doing my best. So if you are willing to help, please reach out & contact me. I will attach e-mail sign up instructions. I cannot do this alone, so please, if you have the time, please lend a hand. You can either write me a letter, or sign up & send me an e-mail. Or there is an e-mail account set up in the world, you can send me an e-mail at:

RobertPezzeca@yahoo.com

Anyone sending an e-mail there, it would be written down & mailed to me. Or you can sign up & e-mail me directly here. My mailing address is:

Robert Pezzeca #DX1148; SCI Dallas; 1000 Follies RD; Dallas, Pa 18612

Please get in touch. I need your help. All regular mail must have a full name & return address on it or it wont be delivered to me. Take care & please contact me. God Bless.
