

## DRIFT AWAY

I Sometimes Wonder What I Would do..  
IF I Were to Somehow Lose You..  
Hopefully.. You Won't ever DRIFT AWAY..  
Theres a pain Growing in my Heart..  
Thats why I kneel down to Pray..  
I really don't know what to say, EXCEPT  
I DO Love You with ALL my Heart..  
I Find myself Pacing the Floor.  
For it seems Were Falling Apart.. BUT,  
Always in my Heart You will Forever Stay  
EVEN if You Somehow  
DRIFT AWAY
