Hey Baby Girl, well I wished you was a baller too, 😊 But your perfect just the way you are, And don't worry about being taller I think its mind over matter.

So thats good news, but don't try to get it together, Just do it! remember life is what you make it, okay ill wait a few days then try calling you, But because you don't have a phone account set up they will let me call you for 60-seconds. then cut off the call. you need to set up a phone account with Global Link your Aunt Maggie knows the Hookup. If I call and you pick up there will be a recording that asks you to punch in a number if you want to place an account. so you should do that so it will then explain how to do it. etc. etc. Hey all this is new for me, im still trying to adjust to all this using a phone and things. But ill call you ill just wait a few days or a week to let them get to you. the Address here is

ill take a picture for you, Im not too much into pictures which is why you and the rest of the family don't have any, call your tia once in a while just to let her know your doing okay a quick phone call now and then. ill be calling her this afternoon so ill give her your * and e-mail * And ive been thinking of you too, I Always do, And you couldnt imagine how much I miss you and the Grand kids. you do your part out there and ill do my best in here so we can be together soon.

Love you Baby.

P.S.

I JUST TRIED TO call you. But they kept telling me to hold and I got tired of waiting, thats never happened to me before so I thought it was unusual. someone here told me that they were trying to contact you.
