Between the bars

Dear BTB Staff,

Thank you for your most recent letter and for sending me the
"Recent Comments" from Reply ID: eymh.

It has been several years since I had heard anything from BTB,
and AJJ13 (eymh) was my first response ever!! I will respond
very soon and answer the questions, however, I wanted to request
that you update my current mailing address, and maybe Post it
(or this) on my Blog Page.

There maybe many more of us that post a Blog years ago and gave
up hope of ever getting a response! I have never gotten any
kind of responses from Pen Pal requests either, so very glad I
got this response.

Again, thank you very much. It is very appreciated.

Respectfully,

Daniel
