

PRISONER SOLIDARITY

"Taking It To The Streets"

by Timothy J. Muise

* * * * *

We are finally getting it together in here; putting aside our differences and fighting the common enemy. That enemy is the repressive and counter-productive criminal justice system. The Voice of the educated and informed prisoner will no longer be silent and those in the free world will take our message to the streets. Our right to rehabilitation here in Massachusetts will no longer be discounted.

We need you out there with us. Please contact me to find out how you can get involved.

POWER TO THE PEOPLE!!!
