Asante KC,

I appreciate you taking the time to read and respond to my essay! Likewise, I appreciate your effort and time in transcribing my words! I must admit I am sad I didn't get this done before November 2016, but now that you know, it's important we enlighten others about Ms. Harris's true record as a Public Servent. I also must admit, you're more of an optimist than me as it concerns The People. The distractions of "politricks" are great, and the Peoples' attention span is not. I'll be paying attention though (smile)!

Love Life and Enlighten Others!
