Is pussywillow a tree? Or a bush?

Did the dog ... remind you of Bowser? It did me. That stubborn old hound that had his own recliner!

Maybe pussywillow is a chin-guard?

It's been a while since I've seen a chin-guard....

Have you seen "Emerald City"? I love that series; my favorite character was the princess that wore all the masks. I have no clue who the actress is. Do you? She has a Brittany Murphy look to her.

It sucks that Murphy won't be giving us any more movies.

She was good.

"iZombie" will be back soon--that's another one I like.

You should keep in touch. Send photos of our kids....

I can't help but notice in what picture I HAVE seen; they look like clones of me in many ways. And, the girls ended up over five feet tall--that's good. :)

Do they get stuff off of shelves for you?

I have a book written that I'd like you to check out.

Maybe send you a few chapters. Make sure you ... approve?
