Life imitating art, or is it  
art imitating life ?

Kudos to the ALTERNATIVE FACTS DEPARTMENT for their hard work and research in uncovering this little gem involving, none other than Reese-The-Fleece.

Okay, so it appears that Fleece was a child star prodigy and was one of the most successful child models. Fleece's career brought him from the runways of Paris to Hollywoodland. Working exclusively for WALLMART Fleece started strutting his stuff in Underoos at the age of 5 until the age of 17, he was known as the face of young man's underwear. At the age of 17 Fleece was no longer offered jobs modeling briefs, because of "obvious short-comings." After Fleece was passed over by Dorchester's own Mark Wahlberg for the Calvin Klein contract, Fleece started his downward spiral to the bottom. At the bottom, Fleece joined the likes of "Screech"(of Saved By The Bell) who ended up working in porn, and was known to beg money on the internet. And the likes of Britney Spears, Shannen Doherty, and Amanda Bynes in a rash of strange behaviors. At one point, according to Hollywood P.D. on a report to Ms. Bynes's parent's house, Ms. Bynes and Mr. Fleece were found naked with shaved heads lighting fires in the driveway. The duo in the driveway was initially thought to be Ms. Bynes and Lindsay Lohan, but it was learned to be Fleece after the pair was cleaned of soot. While receiving treatment Fleece learned the electrical trade where he later landed a job with the Mass. D.O.C. and as we know Fleece's misguided ego and motives constantly land him in troubles from committing fraud for overtime pay, to stealing milks from diabetics to selling stolen TV parts on E-Bay. Fleece's escapades often land him and those around him in hot water and pyrrhic battles with the administration. This past Halloween a Robert Fleece failed a field sobriety test leaving a gentlemen's club(The Country Club) in Randolph. Present in the pickup truck was another Walmart child model, Clarence "Frogman" Henry(FN.1). But in a recent TMZ interview with Aaron Thibeaux Walker III, CEO of Walmart said of Fleece "Walmart is currently in negotiations with the former [disgraced] underwear model for a line called 'The Regular Guy Look' made famous by Rodney Dangerfield in the movie 'Easy Money.'" Walker further explained he felt some responsibility for Fleece's decline, stating "I kind of feel responsible for the lad's troubles, I had to tell him 'we can't use you, we are trying to sell men's briefs- not girl's briefs.'" Walker is assured the 'Regular Guy Look' will do well as Fleece will sport only oversized boxers.

Our RESEARCH DEPARTMENT is currently looking for the Underoo photos of Fleece, and other

FN.1 It should be noted that the occupant of the October 2016 incident was one "Clarence 'Frogman' Henry" AND NOT "Clarence 'Gatemouth' Brown" Sorry to you Gatemouth, and your "Alligator Eating Dog."
