How are my (reader's) doing, I hope y'all are "blessed" in every area of life Well I thought I'd be "out" in the Fall time But; life pissed on me again just when I thought all my efforts to stay out of trouble you know going to (Church) enrolled in classes I guess it was all in (vain) cause, I was moved from my original cell which was 3-19T on O-line all I had was 2 months 15 days until I obtained my line 1 all inced to make parole on this non egg 8 yr sentence which I've got 5 yr's 2 months on isn't that somthin well my last celly caught out or should I say let a dude punkem you know blappen around like a bleep or something anyway so I was moved to 2-19T, and the dude that occupied the space before I moved in got locked up for God knows what reason well when he went to lock up, he left behind contraband, but what messed me over is that the silly bleep left a have made 12 inch metal bar he was forming into ("shank") which true enough had a handle sorta of not a sharpened point, or a sharpened edge like it states on my "case" yeah I got the blame for it lost my (M2) status and a chance at parole this over some floke mess that I truly didn't have knowledge of isn't that a shame I'm a non violent dude I'd rather fight instead of use a weapon my disciplinary record shows I was told by the asst warden to grieve it cause it was not a sharpened shank or has a point so it should've been contraband // Case # 1000000000
