Dear zmw;

Sorry I dint reply so quick. I had a shortage of available postage. I had to mail a package of documents to court for \$28. Then the First Circuit Court of Appeals took \$22, out of my prison account — they automatically take 20% of my income every month. So I had to re-shuffle my needs into whats absolutely necessary.

What does volunteer transcription actually entail? Is it enhancement of the existing typed text, or is it re-typing what I wrote?

It was supposed to be funny. I laughed when I wrote it. I thought it would bring the same response to others. Yours was the only comment. I have a more difficult time writing an entertaining composition than I do painting or drawing. I do think the written word is a higher art form. Could you take a few minutes on my blogs, and read, "The Fall of Tom Surly"? That was supposed to be funny, but I dint get any comments on it.

Thank you for writing and reading.
