

MARCH 27, 2017

Hello world this is TREVIN I HAVEN'T WRITTEN IN SO LONG TIME SINCE THE LAST TIME I SAID SOMETHING.

Well as I was saying in my last message, I was waiting on the courts to change the laws dealing with juveniles here in my state MISSOURI. In 2016 a law was passed saying that after I serve 25-years I would be eligible for parole. I'm in my 24 year, so in 2018, I will be seeing the parole board. I'm now in Bonne Terre Correctional. I'm in my first phase of the ITC program, this is a life changing experience for me. Now if you read my "BIO" you would see that I'm a practitioner of buddhism.

This program allow me to have the experience of being on a spiritual retreat.

My goal after completing this program, is to use my prison journey and my experience with living in prison for over 25 years, I possess the ability to help people on the streets, to live a better life.

I AM THE GREATEST LIFE COACH IN THE WORLD IF YOU DON'T BELIEVE WHAT I'M SAYING, WRITE TO ME ABOUT ANYTHING AND I WOULD SHOW YOU A BETTER WAY TO SEE THINGS WHEN YOU KNOW BETTER YOU DO BETTER.
