

to sin by silence, when we should
protest, makes cowards out of
humankind, the human race has
climbed on protest, had no voice
been raised against injustice,
ignorance, & lust, the
inquisition yet would serve the
law, & guillotine decide our
least disputes, the few who
dare, must speak & speak
again, to right the wrongs
many, speech, thank God, no
vested power in this of great
day & land can gag or throttle,
press & voice may cry loud

disapproval of existing ills, may
criticise oppression & condemn
the lawlessness of wealth
protecting laws, that let the
children & childbearers toil
to purchase ease for idle
millionaires, therefore i do
protest against the boast of
independence in this mighty
land, call no chain strong, which
holds one rusted link, call no land
free, that holds one fettered
slave, until the manacled slim
wrist of babes are loosed to
toss in childish sport & glee,

until the mother bears no
burden, save the precious one
beneath her heart, until God's
soil is rescued from the clutch of
greed, trump resign movement,
