Dear, Jeanette. This is your uncle Raul Leone: BABY I was shocked out of mind & soul. 😊. When I saw your Name on my Blog Reply I have just received your comments on 4/4/17 well now let me tell you that yeah man I love so very much: And yeah we are the same blood that's what makes us bond together is the (Leone) Blood say I don't know your Daddy so good when he was alive. I only had the chance to met him once way BACK IN the 60's I was not over 11-12 years old. he had them Big-O-muscles from where he use to Box In the Ring: I am so very that I was not big to help him when he may have need it!!

well I can see that you're not a Trump fan but we can't all think the same way IF we did it would all be a one-sided-world: And thank you so very much for getting in touch with me also thank you for saying what you said about what I said about our country it beee's that way I hope you know it takes some time for our words to reach one another because it all has to go through the Blog office from you to me & mine through there to you. Please send me a picture of your self & any other sibling you might have I would love to see you all. I love you very mucho!!

Please Respond soon. xxoo. Raul Leone
