PART 2

CAN I get A ONE EIGHTY SEVEN ON THOSE NO GOOD ASS, CHUMP ASS, SUCKA ASS

PUNK ASS - CO'S ...

I don't eat the meals TRAYS anymore and what I do eat from them I feel guilty, for being so Helpless THAT I CAN'T provide FOR MYSELF. THAT I MUST rely on The very Government who's trying to Brainwash And kill me.

They will poison/ being threaten poison or killed. Believe it, one ache, head The next week be poison.

CAN I get A; ONE EIGHTY SEVEN ON ALL; CHUMP ASS, SUCKA ASS, PUNK ASS

I don't know when The food TRAYS after By them of being overtime you start to day you're sick, stomach ache, chest pain and so on. you're okay. Who wish to who wish to be killed for your skin. But this IS

The color of _____ CO _____ The world were you must prepare yourself of such danger. I just take a food item off the meal trays and the box breakfast meal so they want hem me up. I'm glad the lunch meals I get be a year to six month old. It give me extra motivation. How long do the body last with less then the require amount of food one must consume to be healthy. I hate TAKING anything from them. They create this feeling of hate for the government inside these walls by the horrible acts they subject one to. IS this what my incarceration and Rehabilitation is all about. To hate and destroy the United States Government. And if so. who do I align myself with to bring about such a thing - such objective.

The use of Brainwashing techniques is actually nothing more than a manipulative form of stress programming that uses extremes of deprivation and rewards to create a psychological imbalance, a need to become stabilized, and a willingness to cooperate with those who are creating the imbalance.

IS that's not, what they're doing here. To me it's just that the cos are using the stems one is constitutionally entitled to as the reward portion of the technique scenario to turn it into a complete indoctrination

REASON/QUESTION
RAZÓN/PREGUNTA

(1) The floor staff during 2nd shift says the modification end on 3/9/17. But it start on 3/1/17 at lunch. Counting the 2nd of march it should end on 3-9-17 exactly at lunch, it would be the 7th day. It appears that the floor staff is not going to count the exact day the modification started. And time the modification start. Will you check into what is actually going on with this modification.

(2) will you place me on the Law Library for the week of 3-5-17.
