The sun rises an sets, never will, we as God
Creation, ever forget there "(1st time)" exploring self
on a level of new found excitement delighted
in the reality of expressing relief through sure
satisfaction until it's too much to endure until it be-
comes "more than average".....

We've dealt with the ordinary an of course that
gets routine an boring to the point where
we seek comfort in another lover whose ad-
venturous relentless at proving that there more
than the average every-read on call longing
for a chance to get in the game an score
(7 pt's) in ova time dearly needed so Im
definetly more the average....."

How can "(I)" with out a doubt, be in sync
where words are over rated, an nothing beside's
a orgasm can be duplicated erase all the
worry and care's of the world and inhabit love
to the fullest where cries an moans are
all you'll hear, joyous outcries saying
to ourselve's I've wanted my whole
life to be treated [more than average].....
