PAX VOBISCU!

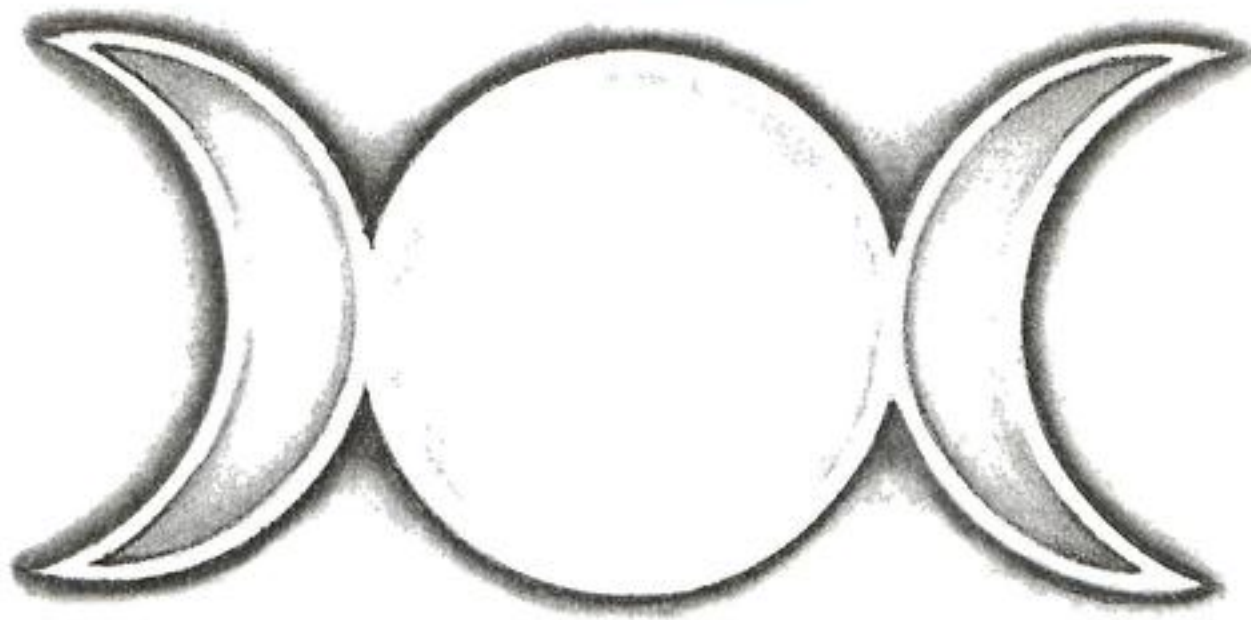

Do what thou wilt shall be
the whole of the law.
; Salud!

Been some time since my last contact, but in the large span I have been blessed in several ways by Our Beloved Lady of Heaven & Earth!

I was at last promoted to Medium Custody after 17 yrs in Close & MAX; and on January 23, 2017 my Daughter "Cora" gave me one more beautiful grandchild; A divine ray of sun light: Daniel.

On March 6th, 2017, Zahra (My Beloved Rose) and I marked our 11th year together, and on the 9th I reached my 51st year upon this planet.

Medium Custody I've found out isn't quite all that! The new generation of prisoners I've found out are quite idiotic & totally disrespectful; no regard at all for the people around them; they're obnoxious, ignorant and for the vast majority - they seem to be sexual deviants; (the very people I've been known to kill in years past.) A hard trial for me it is because I've had to change my way of thinking, and dodge the madness.

It's hard at times because anyone who harms a child or rapes women & children; shouldn't be allowed easy roads in here! My personal opinion of course. Now days it appears that the state of N.C. caters to sexual offenders - especially pedophiles. Hell! They gave me Life without Parole for killing one on state back in 2004.

Oh well! ; Es lo que es! I chose to do what I did and with it the consequences of my choices. Knowing I was able to eliminate a few sexual predators and avenge some little children and precious women makes it all worthwhile for me. NO ~~remorse~~ Remorse - NO Regrets!

May the Light of Ra shine ever abundantly upon you, and the Love of Ma'at ever fill your hearts!

Know that every man and every woman is truly a beautiful shining star.

Love is the Law, Love under will...
