Hello!

Thank you very much for your comment, your right I'm ready to get out of this place. The following will be my life's guide.

ATTITUDE

THE longer I live, the more I realize the impact of attitude on life. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say. It is more important than appearance, giftedness, or skill. It will make or break a company... A church... A home. THE remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. WE CANNOT change our PAST... WE CANNOT change the fact that people will act in a certain way. WE CANNOT change the inevitable. THE only thing we can do is play on the one string we have, and that is OUR ATTITUDE... I AM convinced that life is 10% what happens to me and 90% how I react to it. And so it is with you.... WE ARE IN CHARGE OF OUR ATTITUDE.

So ~~basically~~ this is the way I navigate through my day. I'm very grateful to be able to use this vehicle to get my message out to sound minded people. So look please if you find the time go back and read some of the things I have posted in the past... What you will find is Trevin Gamble is very consistence with his message. I'm very insightful.
