*"Softly..."*

*The wind welcomes the chimes!  
Bellowing them to sing softly...  
My heart falls in love!  
As they dance with nature's mood...  
The wind finds favor to the squirrels!  
As it knocks nuts to the ground...  
I listen to the soft jingle...  
Then float off to sleep...  
Remembering Ma-Ma's comfort-  
As we listened to the soft chimes!*
