

## H A T E      S P E E C H !

There are those who condemn the so-called quote unquote "Hate- Speech"  
One truly <sup>WONDERS</sup> wonders what is hate speech? We live in ameri-KKK, the most vile  
vicious, murderous nation in all the annals of history. Yet there are those  
who would say "You are not suppose to say that?" President Trump was cri-  
ticized when comments were made about Putin being a killer and Trump re-  
torted "What do you think we are?". Amerikans are such phony hypocrites

**WHY ARE WE SUCH LIAR<sup>S</sup>, WHT DOES THE TRUTH BOTHER US SO MUCH?**

### ARE WE ALL COWARDS?

In the movie when that actor spoke his line "YOU CAN'T HANDLE THE TRUTH?"

- 1). Amerikans are racist,
- 2). AmeriKans are sexist,
- 3). Religious fascist
- 4). Capitalist "PIGS" we will do anything for money.

But you can hear all the loud voices, yes, but we do so many good  
things, positive things, why not discuss rather than dwell on the Shame of  
AmeriKKKa. Those positive peoples logic is if you don't talk about something  
than it won't exist. O.K., that isn't exactly fair, their logical is if you  
concentrate ~~omoreso~~ on the positive, working on the positive, than it will  
in time eliminate the negative. There is some reason to that by increasing  
the positive it will in time eliminate the negative; but be that as it may,  
that is not an excuse to hide/suppress what is as is.

- a). Another logical is if you don't know exactly what's wrong how  
can you possibly eliminate it?
- b). "WE" need stop being like children not wanting to face the boogy  
man of our Crimes against HUmanity and our fellow AmeriKKKans.

### WE ARE COMMITTING DOMESTICA WAR CRIMES AGAINST OUR FELLOW AMERIKANS.

Hist~~o~~ry must accurately reflect our deed, foul and good. if they can be  
distinguished

- 5). There are reasonable people who sincerely do not like "Gay" people based  
on the violation of nature, their religious dictums and "its" threat to  
humanity.
- 6). There are reasonable people who simply do not like black people, from  
the actions of many contemporary blacks; the threat that they view it from  
their religious teachings; the history of blacks in this country; and  
obviously from their be(LIE) of their Racial Superiority
- a). Conversely their are many blacks who hate whites for the reverse

exact same reasons

7). We are all religious bigots, my religion is better than yours, because mines is right and yours is wrong; how ignorant and stupid since ALL are just a be(LIE)f and none can be scientically proven. But we are religious fascist and will kill you over our BE -LIE-fs

8). Political~~ly~~ we are divided right down the middle politically.

a). Republicans are pro-governments and said to be pro-rich, pro-establishment. Whilst,

b). Democrats are touted as being pro-people, supposedly more humanitarian; definite pro-women

#### WE ARE DIVIDED

WOMEN: Women of today want to take over everyting men have created and still want men to support and protect them while they run things that they aren't qualified to do. O.K., that makes me a sexist and that remark may be sexist, but it doesn't rise to the level of "Hate-Speech" of which we are suppose to stay away from because that is bad BUT NOT ILLEGAL. You can say you hate anyone or any group, but if you make a racial, sexist or religious slur you will be ostracized and denounce by nearly every fake, phony ameriKan hypocrite

#### #. POLITICAL CORRECTNESS

I). I don't think gays should be gay; I resent and take grave <sup>UMBRAGE</sup> unbrage to "Orange is the new Black" How dare you equate your sexual confusion/ mental distress with the ~~healing~~ heroic stuggles and the "AMERIKKAN BLACK HOLO-CAUST". One can go back into the closet, but I cannot change my skin color.

II). I think all religious beLIEfs are childish, primate superstitious nonsense.

III). I think white ameriKans/many not all are corrupt and racist and they are using the Anglo-Fascist-Saxon Judicial Injustice system as a means of ~~of~~ enslaving and genociding the AfriKan AmeriKan Blackman

IV). This is not a true democracy and it is failing; ameriKa is a country for the rich; unfortunately blacks are a minority and white racist laws dominate this country

V). The Racist Anglos-Fascist-Saxon Judicial is corrupt and rotten to the core and the only reasons white join the law enforcement gang is to kill blackmen

THAT ISN'T "HATE SPEECH" THAT IS MY SINCERELY HELD OPINIONS AND I WOULD WELCOME AN OPEN <sup>TO</sup> DEBATE ON ANY OF MY OPINIONS; OF COURSE NONE OF THE THINGS I disagree with are sustainable in the best interst of humanity..

I). Being gay, being racist, prison slave empire; corrupt judiciary; women thinking that they are equal to men; obsolet religion "Pie-In-The-Sky" none of those absurdities are in the best interest of humanity and not, ~~and~~ must and should cease and desist; WHAT IS HATEFUL ABOUT MY OPINION?
