*6 MRA 5-2017 Blog entry* **RANT TO RAVE**

we All know... that Beauty is only CELEBRITY  
 Skin Deep! But there is a such thing as ~~with~~ UNATTRACTIVENESS, frightful GOSPEL  
 disc, Being ugly as a mule, Mud duck!! GOSSIP

we beings depict the truth of reality or what we believe is the truth of reality

In ~~ways~~ that is psychologically, emotionally, physically and morally TRAUMATIZING... I experience this daily and blog about it. The most UNPLEASANT, MANIPULATIVE, ANIMALISTIC, PARASITIC BEINGS I've ever been ACQUAINTANT WITH. They demand that others are; mature, responsible, deceive, CIVILIZE, etc TO others but they're NOT. Those who ridicule others in the purpose of debasing them in the end only debase themselves.

And... oh! Yes... It's a such thing as a person who is NOT OF the physical beauty category having a Blazing, stellar, cosmic, personality. And is a really beautiful being. And, vice-versa!

So why-not-depict-the-universal agreed GLAMOUR, industrial, common mythology of physical attractiveness. Absent the RACIAL bigotry of course! physical health with beauty. Whether spiritually or physically. When Ronda R. posed in Sports Illustrated, where was that fit, healthy UFC Bod... I ask... where was Ashley G. fit plus size COCO Bod... Every individual who is overweight is plus or multiple times their size.

I experience the horror of what the correctional officials wish me to accept on a daily basis as the truth. I know it is not. Just them displaying how manipulative they are.

So why is it the push for Sports Illustrated, the glamour world to cheat those physical beautiful women who, work their ass off in the glamour world who stay fit and keep up their beauty by engaging in daily, weekly, monthly, yearly physical conditioning and cosmetic out of their ish...?
