

- Blurring reality -

I sat down to eat
rice and cheap Soy Sauce

head bowed in Sad Submission

Tears flooded and spilt into my bowl

realized that I was eating my Sorrow
mixed with rice and cheap Soy Sauce

Roland 5/19/17

-She said, she would-

I imagine
my mother had tears
and make up on her face
every time she said
she would be visiting me
but never showed up.

I waited, even when I feel asleep.
