NEW AFRIKAN (Basic Study Guide)

Part Two

Evolution of the Blue
by Eugene P. White

* Pursuant to (In re James Crawford, 206 Cal. App. 4th 1259; 142 Cal. Rptr. 3d 388; 2012 Cal. App LEXIS 691); the terms NEW AFRIKAN and NEW AFRIKA; did NOT originate from an alleged prison gang, but with a POLITICAL MOVEMENT. Thus, FEAR NOT to embrace with pride and duty OUR NATIVE IDEOLOGY.

One can only inflate a baloon until it finally bust and one can only drive a car so fast until the engine over-heats, thus causing the car to stop in its tracks.

I wonder, are we banking-off the ocean's solid rock? Are we perhaps drilling nowhere as our bits break and twist? Has the baloon been blown up so much by our "hot air," that it has burst and disintegrated without our knowing? Has the engine gotten so over-heated that the car must now be junked or put on the chopping block?

We must prudently test our politico-strategies in the FIELD of effective engagements as should be the business of those developed to play that vital role as an integral element of the National Liberation process ever rooted in MASS MOBILIZATION.

"The Negro is NOT of the United States', he is merely property. Subject. ..."

-U.S. vs. Dred Scott

Yeah, no argument with this radical realist there, as I-- New Afrikan Revolutionary Nationalists--refuse to live in Martin Luther King's "Dream," that is truly our NIGHTMARE.

WE CHARGE GENOCIDE

"Let a new earth rise. Let another world be born. Let a bloody peace be written in the sky. Let a second generation full of courage issue forth, let a people loving freedom come to growth, let a beauty full of healing and a strength of final clenching be the pulsing in our spirits and our blood. Let the martial songs be written, let the dirges disappear. Let a race of men now rise and take control!"

-Margaret Walker
("For My People")

What many of us don't realize is that these finely targeted policies towards repressive measures directed against the New Afrikan Underclass and poor Working-Class, from the very beginning were in FACT encouraged and advocated by the likes of the two 'Wise-Men'--Rev. Al Sharpton and Rev. Jesse Jackson, Sr. The fact that folks like them would endorse POLICE MILITARIZATION and OCCUPATION of our communities resulting in INCARCERATION OF HUNDREDS OF THOUSANDS of US, should be sufficient proof for all but the naively devoted that they're opportunistically working as TOOLS of the power structure.

Also, why is it US--i.e., the New Afrikan lower-class--whom are stigmatized (viewed and treated as a "dishonored population"), while the truly "deviant" and "destitute" in genuine morality and "dangerous" of the RULING CLASS, POLITICAL CLASS and LAW ENFORCEMENT across the board are perceived and treated as "honorable" or "good-guys?" The same equally applies to the CIA, military, FBI, et al, even as they SLAUGHTER INNOCENT CHILDREN, WOMEN and MEN just like ISIS, etc. throughout the dam world? Yet, it's 'us' whom are said to be the "Worst of the Worst" or supposed "existential threats" to the broader society.

So, as we discern those whom are the actual "dishonorable" population are those who are the epitome of deviance, destitution in ethical principles and are extremely dangerous. Just as they've TARGETED the New Afrikan and Latino(a) Underclasses via the CONRIVED "THREAT OF GANGS" and the "THREAT OF DRUGS," as an excuse-pretext so as to initiate intense repressive measures and laws against our populations, so too, have they "worked their magic" in relation to the general mass-body which has allowed them to usher in a plethora of policies-laws in the name of "fighting against terrorism," which acts as an attack on the general public's "democratic rights," even as 'YOU' ignore our plight and endorse the policies geared towards our FASCIST-BASED containment and control--in GENOCIDE!!!

the FEARLESS and POWERFUL response to police brutality via New Afrikan and Mexi-can HAVE-NOIS and WORKING-CLASS folks, they concluded that they could not afford to stand-by and watch these groups (i.e., our communities) evolve into greater organizational effectiveness since THAT is a definite POLITICAL THREAT as they realize the tremendous radical potential of the HAVE-NOIS, i.e., this is exactly WHY they influence = TRAIN LIKE DOGS us with their dam "G" or Mafia ideas and beliefs so as to PREVENT OUR GROUPS from coming together against those whom deny our communities/peoples interests across the board.

"After the riots, a generation raised on the POLITICS OF ABANDONMENT saw that it now also FACED A SHARPLY EVOLVING POLITICS OF CONTAINMENT. ... after the riots, the trend ACCELERATED. Forty-eight states made their JUVENILE CRIME STATUTES MORE PUNITIVE. Forty-one states made it easier for prosecutors to try juveniles as YOUNG as TWELVE as ADULTS. A number of states began to CONSIDER THE DEATH PENALTY for JUVENILES as young as THIRTEEN...."

"...the EXPANSION and INTENSIFICATION of activities of the POLICE, COURTS, and PRISONS over the past quarter-century have been anything but broad and indiscriminate. They have been FINELY TARGETED, first by CLASS, second by that disguised brand of ETHNICITY called RACE, and third by PLACE. This cumulative TARGETING has led to the HYPER-INCARCERATION of one particular category, LOWER-CLASS BLACK MEN TRAPPED IN THE

CRUMBLING GHETTO, ... this TRIPLE SELECTIVITY IS A CONSTITUTIVE PROPERTY OF THE PHENOMENON: had the PENAL STATE been rolled out indiscriminately through POLICIES resulting in the capture of vast numbers of WHITES and well-to-do citizens, capsizing their families and DECIMATING their neighborhood as it HAS for INNER-CITY AFRICAN AMERICANS, ITS growth would have been SPEEDILY DERAILED and EVENTUALLY STOPPED by political counter-action..."

WE CHARGE GENOCIDE!

"It's got to be one of the most basic principles of living: ALWAYS DECIDE WHO YOUR ENEMIES ARE FOR YOURSELF, and NEVER LET YOUR ENEMIES CHOOSE YOUR ENEMIES FOR YOU."

-Assata Shakur

Were YOUR "enemies" chosen for you, by OUR ENEMIES? By "our enemies," I DON'T have in mind the next brotha up the block, across the track or in the 'hood, i.e., I ain't hardly referring to those WHO LOOK LIKE YOU and who YOU SEE and TREAT as GANG RIVALS.

Question: If YOU or YOUR HOMEBOYS have the same ORIENTATION = GANGSTA THINKING as that of our REAL ENEMIES; then isn't it a logical fact that, YOU or YOUR HOMEBOYS teach and push WHAT OUR REAL ENEMIES HAVE CHOSEN FOR YOU/ THEM? Who or what CLASS is "our real enemies" in this country? If you have a problem in identifying "our real enemies," that should tell you WHY WE AS A PEOPLE ARE IN SUCH DEEP AND SERIOUS TROUBLE.

If YOU or YOUR HOMEBOYS have the orientation of a dam "G," that IS the MIND-SET and PUSH of "our real enemies," i.e., that class whom enslaved our ancestors in order to "pass," to that class which "passed" by imposing Jim Crow on our folks and who are continuing their "game" of exploitation via the "New Jim Crow." At any rate, here's something to give serious thought:

WHAT IF, WHILE SLEEP YOU SUDDENLY AWAKE DUE TO SMELLING SMOKE AND BEING CHOKED FROM A RAGING FIRE IN YOUR HOME, WOULD THAT BE SERIOUS TO YOU? WOULD IT CAUSE YOU TO "SOUND THE ALARM" IN ORDER TO GET YOUR LOVED ONES OUT OF HARM'S WAY? OR, WOULD YOU SIMPLY GO ON LAYING ON YO' AZZ, NOT CARING ABOUT OR PARALYZED BY A STATE OF FEAR AND HOPELESSNESS?

Would YOU resist the raging infernal threatening to take your loved ones

breath or would YOU just surrender without a fight in ... FEAR? How deep is YOUR LOYALTY and LOVE for YOUR HOMBOYS/HOMEBASTS? Is it deep enough to cause YOU to RESIST ANYTHING THAT IS THREATENING TO DESTROY THEIR LIVES?

Do "Black Lives Matter" ... to YOU?

Is it natural and right to do everything within one's power to rescue or save their loved ones—e.g., family, friends, people of the community, etc.—from becoming the VICTIMS of FIRES? What if, upon rescuing your loved ones from the raging fire, you discovered that someone had deliberately TARGETED y'all, by throwing a cocktail in the house/'hood with the INTENT to HARM/KILL, would that be positive-proof that someone obviously doesn't value y'all's lives? Would knowing this fact, cause YOU to have serious concerns to the degree of YOUR coming to the same and intelligent realization that YOU must take the necessary steps or measures to PROTECT YOUR LOVED ONES/HOOD?

DOES THE NEW JIM CROW TARGET BLACKS?

Is the intelligent and responsible, natural; thing to do is to be REWARDED in this life so as to be ABLE TO EFFECTIVELY RESPOND to any type of real and imminent threat? Does the "New Jim Crow," ROSE A THREAT TO YOU/LOVED ONES? Well, I have some extremely important news to share with y'all and unless y'all are COMAROS or are DEEPLY REWARD, should be taken too heart since it is an URGENT MATTER. What I am goin' to state isn't to be taken lightly and nor simply ignored, as it is 100% REAL: OUR HOUSE/LOVED ONES/HOODS ARE ON RAGING FIRE IN THE FORM OF GENOCIDE!

This "genocide," is in the form—THERE ARE IN FACT OTHER FORMS—of New African/Black people in America, being subjected to purposeful (i.e., POLICY-BASED) and systematic MASS INCARCERATION = AN INTERVAL WHICH CONSUMES OUR LIVES AS A PROGRAM OF REPRESSIVE CONTAINMENT AND CONTROL.

Yes, I emphasize that MASS INCARCERATION is a FORM OF GENOCIDE!!!

their trained mutts called the "Canters," even before then, another gangsta mutt of the U.S. government named "Lucky Luciano" was released from prison via a clemency in order to rebuild and organize his empire so as to TARGET New Africans with HARD DRUGS. Also, during Reagan's presidency he assigned G.W. Bush as the "head of the CIA" and another entity with the responsibility of "INFLICTING DRUGS."

Now, how convenient and do we really believe that it was a mere coincident that soon after Bush was placed in these positions our communities across the country were suddenly FLOODED WITH DRUGS? In order to further unfold and put into effect their brutal plan do we actually accept that PROHIBITION against drugs (especially "CRACK") like Rockefeller's Drug Laws, Mandatory Minimum Sentencing, Anti-Terrorism Act, Ten, Twenty, Life, Gang Injunctions, Three Strikes, etc. all were/are the result of a "mere coincidence?"

Yep, these DRUG LAWS were the result of a DELIBERATE and indeed PRECONCEIVED PLAN aimed towards TARGETING MINORITY GROUPS and OUR POLITICAL ORGANIZATIONS for REPRESSION via the PREARRANGED TACTICS of SELECTIVE PROSECUTION, i.e., three purposeful application of drug laws as a WEAPON OF POLITICAL CONTAINMENT and CONTROL. Yeah, via the same "Rockefeller's" in which Black folks like Jay-Z evidently is in extreme awe and has deep respect for.

"CONTROL CAN BE IMPOSED THROUGH PROHIBITION OR SUPPLY."

As reality certainly proves they ACHIEVED each element of their DIALECTICAL PLAN = CONSPIRACY via deploying DRUGS as a method to both undermine our relative stability in struggle by fostering the desired conditions for GREATER CRIMINALITY, in order to feed drug habits via SUPPLY and by enacting PROHIBITION disguised as to allow law enforcement responses geared towards "Public Safety." After the '92 Rebellion, the white male power structure stepped up their game of REPRESSIVE TARGETING of GHETTO-HELLS and BARRIOS since upon observing

POLICIES and PROGRAMS as a method of GENOCIDE. They're deeply aware of the fact that deceptive scum like Ronald Reagan, Bill Clinton, Richard Nixon, the Bushes, Jimmy Carter, J.F.K., et al actually deploy(ed) DRUGS and GUNS via the FBI, DEA, CIA, etc., as a tactic for generating DESTABILIZATION in our communities and then conveniently turn right around and play(ed) their "TOUGH ON CRIME" = "Niggers" card to harass, search, arrest, charge and prosecute the oppressed--while gaining white votes just as Donald Trump so effectively did to get himself elected President.

"The role of DRUGS in the EXERCISE OF POLITICAL CONTROL is also coming under increased discussion. Control or even partial prohibition of DRUGS gives government considerable leverage for OTHER TYPES OF CONTROL. An example would be the SELECTIVE APPLICATION OF DRUG LAWS AGAINST SELECTIVE COMPONENTS OF THE POPULATION such as certain MINORITY GROUPS or POLITICAL ORGANIZATIONS."

The above quote is extracted from the book "Hallucination" by a FORMER CIA -CONNECTED Psychiatrist named Louis Jolly West. This piece of excrement actually consulted and conspired with the then Governor Ronald Wilson Reagan and others as to the matter of literally deploying DRUGS (e.g. cocaine, heroin etc.) as regards a shrewd tactic towards both the DESTABILIZATION--to ATTACK and DESIROY--of TARGETED or SELECTED ELEMENTS of the New Afrikan, Mexican, Puerto Rican and Native American communities with special emphasis or focus directed at the Underclass/Poor/Working Class as far as New Afrikans go.

This was/is done due to the fact of OUR FOLKS' POTENTIAL REVOLUTIONARY THREAT--EVER-PRESENT--THREAT AS PROVEN BY THE RISE OF THE BLACK POWER MOVEMENT = Original Black Panther Party, Black Liberation Army, Republic of New Afrika, Black Riders Liberation Party, Nation of Islam, et al.

This discussion, in all of its diabolical proportions, took place in 1975 and what do you know some years later, the world was provided credible evidence of the CIA's actual involvement in DUMPING POISON into our communities via

"Two trains of converging changes then bolstered the knitting of the hyperghetto and the prison into a CARCERAL MESH ENSNARING A POPULATION OF LOWER-CLASS BLACKS REJECTED BY THE DEREGULATED LABOR MARKET and the DERELICTION OF PUBLIC INSTITUTIONS IN THE INNER CITY. On the one side, THE GHETTO WAS 'PRISONIZED' as its CLASS COMPOSITION BECAME MONOTONOUSLY POOR, its internal social relations grew STAMPED BY DISTRUST and FEAR, and its indigenous organizations waned to be replaced by SOCIAL CONTROL INSTITUTIONS OF THE STATE." On the other side, THE PRISON WAS 'GHETTOIZED' as RIGID RACIAL PARTITION came to pervade CUSTODIAL FACILITIES, the PREDATORY CULTURE OF THE STREET SUPPLANTED THE 'CONVICT CODE' that had TRADITIONALLY ORGANIZED THE 'INMATE SOCIETY' REHABILITATION WAS ABANDONED IN FAVOR OF NEUTRALIZATION, and the STIGMA of criminal conviction was DEEPENED and DIFFUSED in ways that make it AKIN TO RACIAL DISHONOR..."

(Socialism & Democracy, 2015)

Now I ask, HAS YOUR ALARM WENT OFF? Are YOU now realizing the serious URGENCY of OUR REALITY enough to "GIVE AH DAMN," or shall YOU go on pretending, LIKE A COWARD or YEE, that it's not YOUR DUTY to RESIST the RAGING FIRE? By "resist," I AM NOT REFERRING TO VIOLENCE; but rather, I am referring to a coherent strategy and program aimed towards defeating OUR ENEMIES' genocidal policies.

If a person doesn't actually know the correct concept and technical definition of the term GENOCIDE; isn't it, thus, impossible and indeed FOLISH, for that person to attempt to deny or argue against the assertion that the PENAL SYSTEM, is a FORM OF GENOCIDE? If one doesn't know a particular subject-matter, how, then, can s/he logically speaking on it? Also, wouldn't logic refute and dictate that OBVIOUSLY the reason I'm able to assert with great confidence the BASIC FACT, that PRISON = MASS INCARCERATION of segments of our people, is a FORM OF GENOCIDE; is because I KNOW exactly WHAT the legal standards and definitions are?

Upon perusing the remainder of this piece, if it turns out that the asser-
 tion that GENOCIDE is RACIAL, shall you feel it YOUR INTELLIGENT and SANE DUTY
 to develop the required sense of DEEP CONCERN and FORTITUDE to HELP RESIST the
 RAGING FIRE which is CONSUMING OUR LOVED ONES? Or, shall you go about your day-
 today business (e.g., tripping' on other brotaz over BULLSHIT GANG MADNESS,
 using drugs that make US WEAK, et al) not taking a damn stand?

SHALL YOU BOW DOWN AND BE AFRAID TO
 GO HARD ?

"Go Hard," by taking the necessary steps and engaging in the appropriate
 preparations to FUEL THE FIRE OUT! It, first, BEGINS IN YOUR HEART & MIND... For
 those whom need convincing as to the fact of a RAGING GENOCIDAL FIRE ENGULFING
 OUR HOUSE/LOVED ONES/HOODS, here's the United Nations' definition of the legal
 standards which provide evidence of the TARGETED GENOCIDE of a people/group:

"...any act committed with the idea of DESTROYING
 in whole or part a NATIONAL, ETHNIC, RACIAL or
 RELIGIOUS GROUP."

The United Nations' 1948 Convention on the Prevention and Punishment of
 the Crime of GENOCIDE list two aspects which legally define this act:

- (1) the MENTAL ELEMENT, meaning the "INTENT to
 DESTROY," in whole or in part a national, ethnic,
 racial or religious group, as such;
- (2) the PHYSICAL ELEMENT.

- The definition of GENOCIDE includes (Art. 2):
- (a) KILLING members of the group;
 - (b) Causing serious BODILY or MENTAL HARM to
 members of the group;
 - (c) Deliberately inflicting on the group CONDITIONS

victims alike.

ved—"ACTIVE!"—organizations and individuals struggling to make a real differ-
 ence and a meaningful paradigm shift in terms of introducing a more humane re-
 storative system of justice which respects and values the lives of offenders &
 "Capitalist logic does not allow for surplus populations
 to be sustained for long. They either have to be reabsorbed
 into the value producing mechanisms of the system, or
 DISPOSED OF. ..."

-Kali Akano
 (until we win, See
 The Abolitionist, Spring
 of 2017, p. 3)

"When the capitalist system can't expand and absorb it
 must preserve itself by shifting towards 'correction and
 contraction'—excluding and if necessary disposing of all
 the surpluses that cannot be absorbed or consumed at a
 profit. WE ARE NOW CLEARLY IN AN ERA OF CORRECTION AND
 CONTRACTION THAT WILL HAVE GENOCIDAL CONSEQUENCES FOR THE
 SURPLUS POPULATIONS OF THE WORLD IF LEFT UNADDRESSED. THIS
 DYNAMIC BRINGS US BACK TO THE US AND THE CRISIS OF JOBS,
 MASS INCARCERATION AND THE ESCALATING NUMBER OF EXTRAJUDICIAL
 POLICE KILLINGS CONCERNING BLACK PEOPLE."

Ibid., p. 3

You see, politically conscious folks across racial, gender, national,

sexual orientation and class lines realize that to a large degree New Africans
 of the Underclass and Poor-Working Class, are actually committing ECONOMICALLY-
 MOTIVATED acts based on being FORCED via conditions of poverty, social deprivat-
 ion, unemployment, discrimination and lack of opportunities directly related
 to the exploitative systems of capitalist-imperialism and colonialism and that
 of white male supremacy.

Also, many grasp the reality that the YOUTH (e.g., street gang members
 whom show that they'll RESIST) of our communities are actually being DELIBERATE-
 LY TARGETED for CONFINEMENT and CONTROL via law enforcement and government

An important lesson which to take serious heed is that soon after the police whom **MURDERED** Micheal Brown in Ferguson, MD., was exonerated, General Eric Holder participated in a town-hall meeting in order to attempt to "get ahead of the coming storm." You see, folks like him and Obama realize the depth of the very real anger and lost of faith in the system--i.e., the harm done to its "legitimacy"--which so many New Afrikans rightly have in their hearts.

During the discussions the "Made-Man" of the Dept. of "Justice," upon responding to our youth's frustration stated: "I ain't mad at ya!" And the reason is, because your showing concern and doing something." I point this out in order to give us a good look at how folks like former Attorney Gen. Eric Holder play the people for suckaz in their pimp games, since by him feigning as though "he's on our side" of the struggle against police repression, his real goal is actually to position himself (the Dept. of "JUST-US") in a manner to where he's able to guide the debate and more importantly, gather intelligence via rebellious elements present.

It's a shrewd tactic the Eric Holders of our world use to restore confidence in the system, even as in the final analysis their loyalty is not to our community since they've **SWORN AN OATH** to uphold and enforce the **LAW** (i.e., policies and programs) of the rulers. Remember, he's the former head of a body charged with **OUR CONTROL**, i.e., targeting of our warriors via every method of repression available to their **POLITICAL POLICE** = the FBI.

"Black Lives Matter," and this fundamental principle towards demanding and assuring that our humanity is valued must be upheld from society to this country's Penal Systems. Indeed, this must be the demand wherever Black people are located on this damn Earth. The **GENOCIDAL FUNCTION** of the State's and private corporations punishment machines or repressive facilities must be exposed and resisted by such excellent and caring organizations as that of Critical Resistance, All Of Us or None, California Prison Focus, San Francisco Bay View Newspaper-followers, Black Riders Liberation Party, New Afrikan Black Panther Party (PC), Human Rights Defense Center and many more deeply sincere and invol-

of Life **CALCULATED TO BRING ABOUT PHYSICAL DESTRUCTION** in whole or in part;

- (d) **Imposing measures INTENDED to PREVENT BIRTHS** within the group;
- (e) **Forcibly transferring CHILDREN** of the group (our women in prisons) to another.

Now let's take a careful look at the listed definitions which relates to the United Nations' and indeed the International Criminal Court's legal standards for the **CRIME OF GENOCIDE**; to see if the case can be made that New Afrikans/Blacks in the United States--a genuine '**Nationality**' subjugated under an internal form of Neo-Colonialism--of especially the **HAVE-NOTS** or Ghetto-Hells and Rural Slums, fall into the category of **TARGETED GENOCIDE**, i.e., via the deliberate, racist-based policies = e.g., Ronald Reagan, Bill Clinton, et al practices of local, state and federal governments in conjunction with **Law Enforcement** = the Judicial System, Dept. of Corrections, and indeed that of **Big Business**.

Can it be logically argued and hence evidence produced that "in part," New Afrikans/Blacks, as a "national, ethnic and racial" group, are being in fact **TARGETED** by **GENOCIDAL METHODS** and **POLICIES** with the "intent to destroy," as is, of course, inherent in the method itself?

From any reasoned perspective, objective reality = concrete conditions; **totally** affirms that a raging genocidal fire is, has ever been in this country, engulfing New Afrikans/Blacks, i.e., socio-economic, cultural and political conditions or dynamics comport with the fact of an **INTENT TO DESTROY** Blacks/New Afrikans **ALL** that need be done to substantiate this **CRIMINAL REALITY**, is examine and detail the actual **POLICIES** and **LAW**s with regards to each of the ~~inter~~ three branches of government (i.e., Executive, Legislative and Judicial), and the interrelated **PROGRAMS** (i.e., practical methods of implementation of the policies and laws) which shall in an absolute sense reveal the **INTENT TO DESTROY** particularly the New Afrikan/Black Underclass and indeed those of the Lat-

ino and Native American national/ethnic/racial groups whom are similarly situated in the lower class.

ONLY IN THE U.S. DOES THE LAW DICTATE
THAT A PERSON RECEIVES 25 YEARS TO LIFE
FOR A GANG/GUN ENHANCEMENT OR A SENTENCE
LONGER THAN ONE'S BASE TERM

However, it is with special emphasis that the case can be made that, with extraordinary and brutal intensity, New Afrikan people have been and remain the TARGET'S of a genocidal infernal/raging fire, since to a large degree we've been CALCULATED to represent an existential POLITICO-MILITARY THREAT towards the systems of White Supremacy and Capitalism-Imperialism.

Because of our proven history of organized and sustained resistance (e.g., Harriet Tubman, Denmark Vessey, Nat Turner, Marcus Garvey, Assata Shakur, Robert F. Williams, Malcolm X, Martin L. King, Jr., the Black Panther Party, Nation of Islam, Republic of New Afrika, Black Liberation Army, NAACP, Martin Delany, Ida B. Wells, Black Riders Liberation Party, Deacons of Defense, Frederick Douglass, et al) is truly a DEEP CONCERN or SERIOUS and CONSTANT WORRY for the Power Structure. Consequently, we are to be and are ever treated accordingly.

Thus, it is incumbent upon us to responsibly and intelligently realize that it is far from outlandish to assert and completely recognize that, it is a fundamental FACT that there has ever been afoot a PLAN GEARED TOWARDS OUR SYSTEMATIC DESTRUCTION AND INSTABILITY ... IN WHOLE OR IN PART.

Of course, the HOLOCAUST = SLAVERY AFFIRMS AN INTENT TO DESTROY (E.G., OUR NATURAL IDENTITIES, FAMILY-TIES, CASTRATION, MENTAL UNDERDEVELOPMENT, INDUCED INSANITY, WHIPPINGS, DISEMBODIMENTS, DENIAL OF CULTURAL PRACTICES, SUPPRESSION OF AFRIKAN-BASED RELIGIONS; FORCED HARD LABOR, ET AL), as does that of the Jim Crow era (E.G., LYNCHINGS, POOR HEALTHCARE, CONVICT LEASING, KKK-TERRORISM, INFERIOR EDUCATION, BOMBINGS, ASSASSINATIONS, COINTELPRO; REPRESS-

made available since it is PROFIT MAXIMIZATION that is paramount for the ruling class of oligarchical fascists.

Just this year, "60 Minutes" reported that it is projected that due to the Automation-Tech Revolution there will be "41%" of jobs which are in time ELIMINATED. So, what are "they" to do with a disposable population--i.e., the unskilled, semi-skilled and under-educated--when they're finding it extremely difficult to provide employment even for those whom are skilled on an advanced level or whom possess an high-grade education?

Surely, from their distorted and brutal-driven perspective rooted in intense competition and supreme individualism, those surviving in the ghetto-hell contraptions cannot simply be ignored, since to do so would leave a source of boiling frustration and anger dangerously unmanaged to their detriment--SOONER or LATER. What they've devised via "ZERO TOLERANCE," "TOUGH ON CRIME," "WAR ON GANGS," "WAR ON DRUGS," ETC. psycho-emotional methodologies (i.e., racist tactics towards effective manipulation and criminalization of New Afrikan poor folks, are PENAL FACILITIES and PRISONS as a POLITICAL RESPONDER or WEAPON OF CONTROL of huge numbers of especially our youth, in ISOLATION and subsequent continued MONITORING for those "cut loose."

You see, THEY KNOW and RECOGNIZE OUR POTENTIAL for ORGANIZED SOCIAL REVOLUTION and/or the EFFECTIVE DISRUPTION of the normal workings of their system of exploitative-oppression from here to across the world.

Simply reflect on their concerns with regards to the recent emergence of the "Black Lives Matter" Movement and you'll grasp WHY they are desperately attempting to derail or co opt it so as to steer it in a direction that serves their agendas and interests. What of the Blacks targeted for tombs or entombed in Penal Colonies--DO "OUR LIVES MATTER?" What of OUR POLITICAL PRISONERS and PRISONERS OF WAR, whom were TARGETED by the State (i.e., Police, FBI, Prison Staff, etc.) and the ruling class's governments during the 1960s and 1970s Black Liberation struggle, where some 30 or 40 years later, many remain imprisoned for the "crime" of daring to resist racist oppression?

MAINTAINING COMMUNITY LIFE, the mass incarceration of black women also inflicts LASTING DAMAGE ON THE ABILITY OF THEIR COMMUNITIES TO SURVIVE and RESIST."

Ibid., p. 105

It is a basic historical fact that as in the case of Jews, who were ex-

ported into Nazi Germany's GETHOS for purposes of inflicting SLOW DEATH (I.E., A

GENOCIDAL FORM), CONFINEMENT and CONTROL, New Africans by the MILLIONS were

also ENGINEERED by economic and socio-political forces into America's Urban

Ghetto-Traps in various forms, as a definite method of containment, control and

G E N O C I D E, e.g., poor quality foods, healthcare, a massive inject-

ion of NARCOTICS, GUN = VIOLENCE; fatherless homes due to welfare policies,

unemployment which results in incarceration based on "CRIMES OF SURVIVAL" and

thus the disintegration of families/communities, contaminated water, exposure

to the elements, deaths = MURDERS BY POLICE; homicide related to economic depre-

vation, suicides, miscarriages or high infant mortality, heart attacks, strokes,

hyperbention, pollution-related ailments, alcohol abuse, drug overdose, et al.

Black folks have long since been effectively STIGMATIZED via RACIST DE-NIZ-

ATION, STEREOTYPES, BELT DRIVE PSEUDO-SCIENCES, NOW/HW CURSE, etc., etc. So

much so, that WE ourselves have been PSYCHOLOGICALLY IMPACTED by degrees of an

INFERIORITY COMPLEX. The function of this social stigmatization was/is designed

to foster a rational basis for ideological justification for our exploitative-op-

pression and domination--HOWEVER CAMOUFLAGED.

What is vital to realize is that New African Have-Nots concentrated in the

Urban Ghetto-Hells--even as there is now an alien imposition of the "INVISIBLE

MAN" towards gentrification of these increasingly desired landscapes due to

their strategic importance in relation to the economy--are perceived and treated

= CALCULATED as an OBSOLETE POOL OF SURPLUS LABOR, i.e., we're deemed as DIS-

POSABLE WASTE of no economic value = CAPITAL ACCUMULATION. Under the current con-

ditions of rapid technological transformation in the fields of Robotic techniques and

greater advanced methods of automation, there are no decent paying jobs being

IVE MEASURES VIA THE FBI, POLICE, SHERIFFS, STATE TROOPERS, NATIONAL GUARDS,

PRISON GUARDS, ET AL.).

The fact that the brilliant and rapid constructive efforts of New Africa-

ans during the Reconstruction period resulted in our folks being THROTTLED via

the federal government and the U.S. military on behalf of both the Northern

white capitalist class and that of the defeated Southern plantations Slave-

masters, in and of itself validates that there's EVER BEEN AN INTENT (I.E.,

POLICIES) AIMED TOWARDS DESPOILING (I.E., IMPELBERNING PROGRAMS) New Africans.

What, did that conniving bigot, Richard Nixon, say, regarding "Black peo-

ple representing a "threat" to their white supremacist and capitalist-imperial-

ist system of exploitative oppression:

"Nixon emphasized 'that you have to face the fact

that the WHOLE PROGRAM is really the BLACKS. The

KEY is to devise a SYSTEM that recognizes this

while not appealing to '...'"

-H.R. Haldeman

(The Haldeman Diaries)

"... We have got to be TOUGH on this, you know what

this is, the Angela Davis crowd involved...the Negroes."

Ibid., pp. 60-61.

Yes, New Africans/Blacks have ALWAYS been recognized as the "WHOLE PROB-

LEM," since this entire white supremacist and capitalist-imperialist exploit-

ative-oppressive edifice was and remains built upon our "Blood, Sweat and

Tears," from the United States, Haiti, Brazil to Africa. No, this is certainly

not to disregard the genocidal terror suffered by the Native Americans and

Ricans, Mexicans, et al.

Naturally, the theft of THEIR lands and exploited labor certainly played/

plays a substantial role in America's development. However, as it is not my

intent to negate the racist savagery directed at these peoples, it must be acknowledged that it was the enslavement of New Afrikans that played the principal role as the necessary strategic prerequisite for the formation of the initial phase of capital accumulation or for the development of American Capitalism, even as the loss of New Afrikan blood and lives during the Civil War, also was crucial to that process.

At any rate, as the rulers well-understood that BLACKS—"...the Angela Davis crowd...the NEGROES"—were/are the KEY in terms of what population is to be TARGETED with a SPECIAL FORM of REPRESSION (I.E., "to be TOUGH") on all levels, governments across the country devised a system that recognizes that New Afrikans/Blacks "are the problem," i.e., law enforcement, courts and the prison system are adhering to POLICIES which deliberately gear programs based upon the CONFINEMENT and CONTROL of New Afrikans as a consequence of their keen recognition of our ever-present potential for revolutionary insurgency.

Just reflect upon the Civil Rights and Black Power Movements, the various Rebellions in the urban areas during the 1960s, the '92 L.A. Rebellion, the Rebellions in Oakland and San Francisco related to Oscar Grant's murder; and of course the more recent Rebellions in Ferguson, MO. The emerging "Black Lives Matter" Movement and the point ought to be sharply brought home as exactly WHY New Afrikan people are perceived and treated as an existential THREAT to their racist order.

"... This allowed FBI director J. Edgar Hoover and presidents Richard Nixon and Ronald Reagan to go after those thought to pose a substantial threat to the capitalist and imperialist Power Structure: Black Revolutionaries. Colonies, this unavoidably creates the circumstances for OUR CHILDREN to be 'FORCIBLY TRANSFERRED' to Foster Homes, Juvenile Facilities, Placements, Boys and Girls Homes and Mental-Emotional harm.

It's a form of governmental "DISPERSAL" and I'd even say "ETHNIC-CLEANING;" since it operates to achieve the disintegration and uprooting of ENTIRE COMMUNITIES, both as a method of gentrification and population reduction = GENOCIDE!

"In the 1950s and 1960s, the Civil Rights and Black Power Movements had ignited my political awakening, since those times my central focus has been solidarity with the black liberation struggle. When I was sentenced to 23 years behind bars, I already believed that the role of prisons was to CONFIN CULTURES and COMMUNITIES OF PEOPLE OF COLOR. But even without that perspective, I would have been struck repeatedly, during my years inside, by the over-representation of black people and the extent of the DAMAGE prisons do to black communities. What I saw in prison was the G E N O C I D E of people of AFRICAN DESCENT."

Ibid., p. 102

"In a historical landscape of concerted attacks on black communities, MASS INCARCERATION IS THE LATEST FORM OF G E N O C I D E. I am not only talking about the fact that black and white people commit crimes in EQUAL NUMBERS yet FORTY-FIVE PERCENT of the PRISON POPULATION IS BLACK. ... I am also talking about the lasting impact black communities sustain when so many of their members end up in prison—and because of incarceration, are disenfranchised after release. I'm also talking about the way that black families are fractured, prevented from thriving from one generation to the next, by MASS INCARCERATION. Destruction of family structures incapacitates future generations from advancing; it is part of a definition of G E N O C I D E."

In every prison New Afrikans/Blacks by the droves are either taking Psych-Meds "voluntarily"—i.e., in truth, the conditions of monotonous confinement force the majority to find "relief" or "escape" by having DRUGS prescribed to them in order to deal with their profound sense of hopelessness and loneliness—or medications which chemically alters their brains, are FORCED upon them via other methods of physical violation.

These groups are called "CCMS," "E.O.P.," et al. Also, there actually exist mental-penal facilities such as Paklen, etc., across the country which confine many more New Afrikans—"drugged outta their minds." New Afrikans throughout the U.S., are regularly subjected to conditions in jails, Mental-Penal and Prison Facilities which are deliberately calculated to inflict or cause PHYSICAL DESTRUCTION or HARM. Of course, it goes without saying that by virtue of Black Have-Nots/Poor-Working-Class folks being sentenced to many years or life in prisons, let alone that of those on Death Row; that such imposed measures to whereby we're prevented from engaging in the natural act of Pro-Creation, since either policies do not permit conjugal visits or in the main because of the far distance of prisons, invariably located in rural white areas, one cannot manage to sustain a relationship or afford to travel so far.

Also, who doubts that the "Psych-Meds" which so many are taking aren't having a negative impact in terms of causing probable and permanent damage to their reproductive processes? State sanctioned impediments are geared towards sexual reproduction or by virtue of the conditions in which were subjected inevitably results in the reduction of the New Afrikan birth rate. Finally, with the instability and destruction visited upon our communities, communities that are already deeply vulnerable due to socio-economic impoverishment, unemployment, the fact that many New Afrikans are TARGETED for State repression in Penal

"... Yet, the author completely ignores one of the most significant and turbulent periods of political upheaval in the struggle for social justice in this country, the Black Liberation Movement; and how the CRIMINALIZATION and INCARCERATION of Black dissidents was USED PRIOR to the War on Drugs to CRUSH DISSENT and RESISTANCE, just as the War on Drugs NOW CRIMINALIZES AN ENTIRE POPULATION, ESPECIALLY YOUNG PEOPLE, USING MASS IMPRISONMENT TO SUBVERT THE POTENTIAL FOR POLITICIZATION, DISSENT, RESISTANCE and BUILDING OF A REVOLUTIONARY YOUTH-LED MOVEMENT. Both have CAUSED the MASS DESTRUCTION OF POOR and WORKING-CLASS BLACK/BROWN FAMILIES and COMMUNITIES."

Ibid., p. 95

As we clearly discern the current GENOCIDAL TARGETING of BLACK/NEW AFRIKANS in the form of PRISONS and PENAL SYSTEMS generally, is the direct result of GOVERNMENT POLICIES created for purposes of COUNTER-INSURGENCY PROGRAMS, i.e., New Afrikan resistance to oppressive-exploitation and/or COLONIAL DOMINATION poses a THREAT; and hence our communities are on the radar for intense and systematic suppression because of the ruling class's FEAR of the reemergence, INEVITABLE, of our Liberation Movement as well as the CATALYZING RAMIFICATIONS in which our people's struggle tend to ignite in regards to other social/racial groups.

On an historical level, the INTENT TO TARGET and DESTROY New Afrikans is irrefutable and it is equally irrefutable that on a contemporary level, substantial portions of OUR PEOPLE—those of especially the underclass and Poor-Working Class—are enduring policies and corresponding programs which have the DELIBERATE AFFECT of a RAGING GENOCIDAL FIRE, in terms of the destructive impact visited upon our communities. yes, those whom are under the draconian foot of "Big Brother," are suffering the New Jim Crow's subtly disguised and shrewd

wd method of GENOCIDE. Now the PHYSICAL ELEMENT, which provides the legal standards for the definition of Genocide (Art. 2), is all too damn abundant. Is there KILLINGS OF MEMBERS OF OUR GROUP/PEOPLE?

Is not the New Afrikan/Black DEATH RATE, both by POLICE and PRISON GUARDS, at a CONSTANT and INORDINANT LEVEL? Remember—ALWAYS REMEMBER—the MASSACRE at "Attica" in 1971? What about those brothers and sisters KILLED under "SLAVERY BY ANOTHER NAME? What about those New Afrikans KILLED = MURDERED in Soledad, Old Folsom, San Quentin, Tracy, and indeed across the country in the 1960s and 1970s—FOR SIMPLY DARING TO DEMAND CIVIL AND HUMAN RIGHTS?

What about those KILLED = MURDERED at Corcoran State Prison at the hands of Prison Guards and Prison Officials whom sanctioned it via their tacit acceptance of these crimes? I'm referring to the "Gladiator Games" sadistically schered upon in 1989 and beyond. What of the HUNDREDS they've KILLED vicariously by the method of SUICIDE, to escape prison torture? What about the HUNDREDS KILLED by being subjected to prison and jail environments who've contracted or developed DISEASES like HIV-AIDS, HEP-C, High Blood Pressure, et al., etc. and were deprived of appropriate healthcare—AS IS NOW BEING DONE TO OUR BROTHA MMIA?

What of the HUNDREDS KILLED via State executioners, where over 40% of Death Row is made up of POOR and WORKING-CLASS BLACKS/NEW AFRIKANS? How is it logically and justifiably explained that our folks comprise nearly OVER HALF of the various penal facilities in this nation, when, in fact we only make up "12" PERCENT" of the nation's population? What, are WE A BUNCH OF THUGZ or a people PRONE TO CRIMINALITY?

What of the HUNDREDS KILLED by old age after serving 20, 30, 40 years, even as it's well-known that PRISON-TIME, CUTS A PERSON'S LIFE-SPAN or AGES THEM BY TEN YEARS? What about those KILLED by prison authorities and police alike such as our brotha Herman Wallace, upon being deprived of appropriate medical care prior to being "let loose"—NOT "FREED" = LIBERATED FROM AMERIKAN COL-

ONIAL SUBJUGATION—after serving many years in prison on KNOWINGLY FALSE CHARGES? The serious bodily and mental harm inflicted on our folks in jails, Youth Authorities/Reformatories, Insane Asylums and prisons as well as County Jails and Foster Homes, is certainly well-documented and known as this is constantly suffered.

All across the country, brothaz and sistaz are choked, beaten, tasered, tied to beds, left in the rain or cold naked, peppersprayed, shot with block-guns in the face and head which causes serious injury, placed in handcuffs which are purposely tightened around the wrist or ankles, food spat in, denied food, cell extracted by brutal force, forcibly sterilized, miscarriages due to the stress of incarceration/medical neglect, raped, et al. The 2011 and 2013 Peaceful Hunger Strike in California, was inspired by OUR BEING BY DELIBERATE INTENT SUBJECTED TO TORTURE IN SOLITARY CONFINEMENT.

Under these tortur~~u~~s conditions men and women across the United States have resorted to and are resorting to HARMING THEMSELVES due to psychological problems, whereupon they're often forced into Units geared towards "indicating" than, even as such is of worse harm via Staff abuse and neglect.

"... Angela Davis adds (and I think this key) that the large growth of prisons also followed directly on the heels of the black-led democratic—and completely legal—revolution known as Black Reconstruction (1863-1877). Incarcerating black people was away to overthrow the promise of this revolution. ... So in 1877, the US government sent troops to crush Black Reconstruction, to protect the nascent factory system in the north and solidify white control of the Southern planter class. After the troops left, the PRISON SYSTEM functioned as a means of COUNTERREVOLUTION, ENFORCING JIM CROW. Just as Southern prisons worked to repress Black Reconstruction, TODAY'S MASS INCARCERATION PLAYS A SIMILAR ROLE, and followed a similar HISTORICAL PATTERN. Prison populations began rising across the country in the 1980s, following the massive civil unrest, urban rebellions, and powerful revolutionary and radical movements of the BLACK LIBERATION STRUGGLE."

"Lest that be misunderstood, let me make it clear that the goal of the Black Liberation Movement has NEVER been and NEVER WILL BE electoral victories within the framework of an oppressive system. The objective here is to contest and challenge the state on our terms while carving out our OWN AUTONOMOUS and LIBERATED spaces. This is the lesson from Jackson, Mississippi; and, as evidenced from its example, the Black Liberation Movement is still alive and striving in so-called post-racial USA. Reports of its demise have been grossly exaggerated."

Ibid.

"Thus the distinguishing feature of Chokwe Lumumba's election is that the Jackson Plan is not based on CIVIL RIGHTS REFORMISM that only created corrupt career politicians and a disinterested Black upper middle class. Its objective is the creation of a viable alternative that seeks not inclusiveness in the system but to rescue us from the parties that currently exist and ignore our communities."

Ibid.

How is the process of "rebuilding" to be measured in terms of knowing when we possess the organizational capabilities to effectively pursue our interests, and of extreme importance-- TO ENDURE? Is it by the quantity of tactical programs that we create or is it instead by the quality of theories we employ to get at our politico-strategic priorities?

I'd say, it is actually a requisite combination of BOTH, i.e., the dialectic. Evenso, at some juncture each aspect has to make its contribution as otherwise the system will rust or grow cob webs and thus be in danger of becoming totally obsolete--out of sync with reality and thus operate to harms our struggle. One can only go so deep in an ocean, before hitting rock bottom. One can only drill the Earth so far until the drill hits and breaks.

movement can be politico-strategically guided and tactically supported via such mechanisms. Of course, I'm referring here to those so-called "legal" areas of socio-economic and political activities, as again, there aren't ANY genuine areas of legality when struggling within the context of a Settler-Colonial Empire!

We must design local and Inter-State media apparatuses which entails Web-sites, DVDs, CDs, Satellites TV stations, Newspapers via Internet, Magazines, Texting, Camcorders, Documentaries of socio-economic and political conditions, use of In-Camera/Skype methods for purposes of training cadre on simultaneous and multiple levels.

R E B U I L D

As with everything in life, "REBUILDING" is a process of laying a NEW and FIRM FOUNDATION and, SECURING each crucial element in TRANSITION. I mean to state by that, that at some point we must reach a level of development, to whereby all of the "rebuilding," metamorphoses into something prepared, qualitatively; to engage and project its strengths as regards matters of politico-strategic confidence if y'all catch my drift?

It is THERE, the real threat of exhausting ourselves in tactical redundancy or expending our energies to the degree of degeneration. Indeed, we "rebuild," do we not, so as to pursue certain political requirements and to put into effect those strategies evolved, so as to TEST their value and validity in PRACTICE.

Otherwise, adjustments cannot be made as far as miscalculations, i.e., invaluable lessons are to be gained by testing the viability of theories in the real-world of struggle. When does all of the "intellectualizing," hit the ground runnin' so that we're made profoundly inspired and more advanced?

tactics which we're able to create the PREREQUISITE FOUNDATION from whence Freedom Fighters are cultivated and emerge to confidently pursue our New Afrikan revolutionary aims. Every component must be put in its proper place (e.g., cultural arm, financial arm, propaganda arm, political arm, youth programs, social services, self-defense, et al). By this method of operation we establish what in effect is a DEFACTO STATE.

The integrationists-neo-colonialists and their organizational expressions such as the NAACP, Urban League, Congressional Black Caucus, CORE, etc., bankrupt programs and related ideological-philosophical orientations must be DISCREDITED and effectively UNDERMINED.

Those politicians whom are "genuine assets" and in a position to aid our efforts in terms of delivering resources without attachments are to be prudently embraced. However, such must ALWAYS be based upon our own politico-strategic dictates. No longer shall we allow our organizations, parties and movements to be hijacked and misdirected via Black politicians of profound misorientations. We ALONE are and must ever be "OUR OWN LEADERS" as well as "OUR OWN LIBERATORS."

The Internet/Cyberspace must be deployed as an instrument of multifaceted networking or intercommunal administrative--COORDINATION. Coordination across regions or throughout the New Afrikan nation. Additionally, by these methods of effective communication and information exchanges can be rapidly shared so as to coordinate on a relatively even basis our endeavors and to allow us to remain ever abreast of vital security developments so as to respond appropriately.

In truth, a VIRTUAL New Afrikan revolutionary socialist

"Revolution ... is based on LAND. A revolutionary WANTS LAND so he can set up his OWN NATION, an INDEPENDENT NATION."

-Malcolm X

So does "SHE"--a WOMAN revolutionary WANTS LAND so SHE can set up HER OWN INDEPENDENT NATION = New Afrika. Am I an ... "Amerikan?" Does simply being born in what is "now" Amerika, automatically make US--a people here on STOLEN LAND due to an HISTORICAL MISCARRIAGE = Afrikan Holocaust-European Slave Trade--"Amerikan?" What, exactly, is an "Amerikan," and who defined the terms of WHAT an Amerikan supposedly is? Did our ancestors have any in-put in this defining process, even as they were deemed and treated as ... SUB-HUMANS?

Is an Amerikan defined by the terms of a particular ideological-philosophical outlook? Was it an ideological-philosophical outlook that rationalized and justified, via the codification of laws and a Constitutional framework, the super-exploitation and vicious oppression of Native Americans and New Afrikans = Blacks in the United States as a consequence of enslavement? From whence did this ideological-philosophical outlook derive?

Was it based on an ideological-philosophical outlook which upheld and demanded the domination and genocidal theft of Native folks' LANDS? Is this the so-called "Great Amerika," that willfully delusional pimps such as "Boy Wonder," President Obama, have in mind in selective-opportunist reading of this OUTLAW nation's history? Perhaps it's the "Manifest Destiny" he's thinking of or referring to, as to identification with "Great Amerika" or the professed "Great Amerika?" Or, is it in fact related to

Amerika as a "Great" Empire, that folks like him--MANY MISEDUCATED BLACKS--have in mind and duplicitious pride in, huh?

Is it the product and reflective of Western (White) civilization = RACISM and SEXISM? Is an Amerikan, also defined as and hence guided by IDEOLOGICAL ORIENTATIONS, i.e., political beliefs originating in RACE/CLASS and NATIONAL INTERESTS? What are the ideological orientations of "Great Amerika" or the political values and worldview in which guides the White male supremacist ruling class's interests, from its inception and until this time --2017?

Is because they're the "ruling class," necessarily mean that their interests are to be perceived and treated or regarded as somehow being paramount that of our own? How did New Afrikans/Blacks in Amerika due to the historical miscarriage known as "Slavery," become subservient to White Amerika's ruling class?

How have WE been placed in a position to whereby OUR INTERESTS, AFFAIRS, LIFE-POSSIBILITIES, et al are DICTATED--yes, WE ARE in effect subjected to a damn "DICTATORSHIP;" in White Amerikan face--by the White male SUPER-PREDATORY ruling class? What class's domination of Amerika and indeed their very existence was determined by circumstances rooted in and motivated by GENOCIDE and SLAVERY? Are some of its members the direct descendants of Slave Owners, thieves of Native folks and New Afrikans?

Does Black folks, born in this country as a consequence of our ancestors enslavement, have the right to say whether or not we are actually "Amerikan's?" Malcolm X once stated:

"These Negroes aren't asking for any NATION--they're trying to CRAWL BACK ON THE PLANTATION."

cantly, it would also mean that we've irresponsibly (dishonestly) guided our people towards AVOIDABLE harm and greater repression.

This is precisely WHY it is essential that THEORETICAL MATTERS surrounding politico-strategic orientations and tactical imperatives MUST be deeply explored as well as taken to heart. It is also the reason why questions of ideological and indeed philosophical commitments are of paramount concern since as it is HERE, whence certain THEORETICAL EQUATIONS rest and must be conclusively settled so as to evolve adaptive practical systems for competent engagements in a commanding and dynamic sense towards our fundamental politico-strategic and material interests.

If, as is said, "Imperialism is a permanent state of war and seige," then, quite naturally, until it is defeated we must understand the elements required to engage this ruthless phenomenon at its vulnerable points by revolutionary means, i.e., a SCIENCE OF MASS STRUGGLE.

We must examine and calculate the measures of engagement wisely and comprehensively--no dimension of the struggle for national liberation can ever be overlooked nor treated on an incompetent level. This necessarily means KNOWING and ASSESSING, EXHAUSTIVELY; the adversary's strengths and weaknesses, tactics, and strategies, etc., etc. Naturally, as conditions change, so too, must our strategies and tactics be adjusted to meet the changing dynamics on the ground.

Institutional building (i.e., the establishment and administering of a distant "parallel world"), to my mind, is of highest politico-strategic priority as it is via such advanced

and FUNCTIONS AS MODERN-DAY COINTELPRO attempting to divide the Black Power Movement, ... If this group is anything, it is a collective of racist, reactionary THUGS and TOOLS of the STILL-VERY MUCH-ALIVE Cointelpro government agency.... Since coming to public notice, this group has shown itself to be LITTLE MORE THAN OPPORTUNISTIC, TREADING ON THE WORK, DEDICATION and SACRIFICES OF OTHERS."

-Big Man
("Elbert Howard of the Original Black Panther Party")

BY ANY MEANS NECESSARY!

One thing that New Afrikan revolutionaries are wisely obliged to concede and ever remember is that, OUR POLITICAL and STRATEGIC OPPONENTS aren't hardly playing amateurish games as they're deadly serious as to matters related to their domination for purposes of capital accumulation. For anyone to think otherwise, to my mind, is tantamount to conscious deception as such an orientation clearly serves to misdirect and profoundly deceive our folks.

The reality is, WE'RE ENGAGED IN A BLOOD-DEATH STRUGGLE against an adversary that is extremely sophisticated and deeply resolved to neutralize any-and-all potential threats and that reality portends a vicious struggle of tenacity in strategic competence. As we aim to organize and mobilize our people toward political engagements for national liberation--A CRIME IN THE UNITED STATES--the politico-strategies developed and tactics employed must be well-advanced since to fail in these extremely vital areas is not only to assure our Movement's/Organizations' tactical retreat into a state of severe blows to our infrastructure, but more signifi-

Are you a "Negro trying to crawl back on the plantation?" So, that matters are quite clear, Malcolm's assertion had in mind the United States of Amerika and/or White Settler-Colonial nation with regards to his reference to those Blacks "crawling back on the plantation."

Obviously, the desire to "crawl back on the plantation" entails the fact of being PASSIVELY ACCEPTING of the SUBJUGATION of one's TOTAL BEING in terms of being SUBMISSIVE to the OPPRESSIVE and SUPER-PREDATORY DICTATES of an ALIEN GROUP. It is to view and treat as valid or legitimate those whom dominate OUR ENTIRE REALITY via laws, Constitution, powers, courts, economics, educational process, military, law enforcement, corporations, banks-financial agencies, etc., etc.

What the Komrad-Ancestor Malcolm X was actually giving important expression to is that, just because our people were/are born in this country or atop this STOLEN LAND due to being the descendants of enslaved-internalized subjugated Afrikans, does NOT, by far, somehow make US "Amerikan's" and/or "hypedated African-American's."

For a people or US to have something FORCED on them or DRILLED INTO THEIR HEADS for CENTURIES, does not by any stretch of the imagination make that people or US, whatever has been IMPOSED on them!

What we must, as a strong and dignified people = New Afrikan Nation, get into our heads and hearts, is that OUR STRUGGLE HAS ALWAYS BEEN and REMAINS A STRUGGLE BASED UPON REGAINING SELF-RULE; as it was and to this day is--WITHOUT ILLUSIONS--

SELF-RULE, which was literally TAKEN AWAY from our ancestors and hence by logical extension...US! Yes, the American-orientation or national consciousness (ideas, myths, ambitions, psychology, etc.) has/is deeply ingrained/trained into our minds as it must by those of this country's ruling class, who use this as a TACTIC OF CONTROL = MANIPULATION via conditioning US to be "LOYAL CITIZENS," perceiving our INTERESTS to be supposedly synonymous with the White Settler-Colonial nation's, i.e., the Amerikan white supremacist-patriarchal and capitalist-imperialist empire.

There are White Amerikan "revolutionary" Communists, Anarchists, Socialists, et al groups whom ~~define~~ and accept Settler-Colonial Amerika as somehow being an "authentic nation," would have New Afrikans or Black folks define and accept that their political reality is purely based on "racial subjugation" = inequality; and not that of "national oppression."

In essence, this unscientific position concedes that the OPPRESSORS', whom represent the IMPOSED ALIEN WHITE INVADERS/ CONQUERORS, have the "right" to exist and are entitled to the legal prerogatives granted all other national groups, but not that of the OPPRESSED Afrikan descendants on this land as a consequence of their RIGHT of SELF-RULE having been TAKEN! In spite of such groups positions as regards their arrogance in terms of supposedly defining our political reality from what in effect is a White Nationalist = supremacist lens, however disguised in "Marxist" language, WE MUST EVER GRASP and EMBRACE the BASIC HISTORICAL and hence SCIENTIFICALLY VERIFIABLE FACT, that WE actually constitute a DISTINCT NATION, i.e., it is subjugation via Settler-Colonial oppression or domination in which genuinely represent our political reality or status.

nitions of our political reality/as a people by Black folks whom are quite content with a "prettified" inclusion as regards a subordinate participation in the Amerikan Empire. I'm reflecting upon the necessity of a "Movement," to give an example as to WHAT a Movement IS and WHAT it DOES. The stated AIM or MISSION STATEMENT of each of these Movements, were CLEAR by the NAMES IDENTIFYING their CAUSES.

As New Afrikan Revolutionary Nationalists, although we understand what many truly meant by the slogan "Black Power," this slogan is however too ambiguous and thus insufficient for purposes of providing a clear vision and knowledge of the nature of the political and strategic objectives for national liberation. Instead of "Black Power," as this could simply imply and mean all sorts of things, we must term our's the "New Afrikan Independence Movement, since this declares precisely WHAT the aim of our struggle is motivated by. No, "Black Nationalism" isn't at all correct.

"The New Black Panther Party's leadership lack historical and revolutionary consciousness. They represent the RIGHT-WING of the Black national liberation struggle. So it is really not surprising to see this CULTURAL-NATIONALIST SECT EMBRACING BLACK CAPITALISM. They hate all white people except the ones that carry guns. Well, the elder Panther Dhoruba showed up at NBPP's convention to EXPOSE THEIR LEADERSHIP as being INAUTHENTIC and ERSATZ Panthers. ... When we examine their study materials, we see figures like Dr. Khalid Muhammad, Min. Farrakan and 'Pork Chop' Karenga, held up as the theoreticians on which NBPP bases its line."

-Shaka Zulu
(New Afrikan BPP's Chairman)

"Dhoruba bin Wahad believes the New Black Panther Party is a HATE GROUP, INFILTRATED BY THE FBI,

history and realizing the super-exploitative and oppressive nature of the United States systems of White Supremacy and Capitalism-Imperialism, in which we are ruled under, those of the "Black Power" Movement...HAD IT ABSOLUTELY RIGHT!

PELICAN BAY STATE PRISON
UNIT B-6

"Davis finally got to the crux of his argument by stating: 'What American negroes want--I should make this very clear--and have been fighting very hard for and with great sacrifices, both personal and in terms of blood, is for the complete equal status as citizens; and since 1936 we have been making tremendous progress in this regard. We do not look forward to any self-determination in the belt if this is what Cesaire had in mind when he said by reference.' Davis is now alluding to the American Communist Party's 'Black belt States Program'."

C.A. Diop
(The Cultural Unity
of Black Africa, p.223)

"Equal status as citizens" in the United States, did this "astute" political scientists really express and even seriously consider as being a possibility to be realized--UNDER CONDITIONS WHERE, THEN AND UNTIL THIS TIME, AMERIKA, AS AN EMPIRE; IS BUILT UPON AND FUNCTIONS ON THE BASES OF REQUIRED INEQUITIES VIA NEO-COLONIAL, WHITE SUPREMACIST AND CAPITALIST-IMPERIALIST INSTITUTIONAL DYNAMICS? The very notion of "equal status as citizens" in a CLASS DIVIDED SOCIETY, is ridiculous on its face, even for those making up the White Settler-Colonial State.

Yes, some of US have in fact fought for "equality under the law." However, this was NEVER done at the dismissal or repudiation of our HUMAN RIGHTS, i.e., some of US demanded that WE be recognized as a DISTINCT NATIONAL IDENTITY. This is the extreme importance of a Revolutionary-Nationalist Movement as without such, we're left quite vulnerable to the metaphysical defi-

"Black Wall Street was a prime example of the typical Black community in Amerika that did business, but it was in an unusual location. You see,, at the time, Oklahoma was set aside to be a Black and Indian state. There were over 28 Black townships there. One third of the people who traveled in the terrifying 'Trail of Tears' alongside the Indians between 1830 and 1842 WERE BLACK PEOPLE. The citizens of this PROPOSED INDIAN and BLACK STATE CHOSE A BLACK GOVERNOR, A TREASURER FROM KANSAS NAMED MODADE..."

Ask yourself this crucial and most revealing question as the implications involved actually speaks volumes as to OUR POLITICAL REALITY: Why is there often a negative or visceral reaction that we tend to display towards White folks, especially in the context of their trying to tell us what to do or not to do?

Is it that we have "slavery" or what was done to our ancestors in our hearts and minds? Is it because of what they did or tacitly allowed to transpire during Jim Crow, in terms of the fascist oppression and terrorism inflicted on our folks? Perhaps it's due to what WE KNOW THEY'RE DOIN' TO US...TODAY!? As I explained in the story of WHO WE ARE (Part One) and HOW that process (OUR EVOLUTION INTO A NEW AFRIKAN NATION) or what

they did to our ancestors, it was not to only enslave them, but to take away their HUMAN RIGHT of SELF-RULE. Thus, could it be, that perhaps on an UNCONSCIOUS LEVEL, the real reason WE TODAY act negatively towards White folks, is because WE KNOW or DEEPLY FEEL that they DON'T HAVE THE RIGHT TO RULE OVER OUR LIVES?

You see, the TRUTH is WE WANT TO BE FREE OF THEIR FORCED CONTROL OVER OUR LIVES and KNOW WE HAVE THE RIGHT TO RULE OVER OUR OWN REALITY. We're also very frustrated because although we know and feel we have the right of SELF-RULE, WE, MOST OF US, DON'T KNOW (HOW) to get the FREEDOM WE NEED and in fact are ENTITLED, huh? Yes, we've ALL--especially those of us trapped in Euro-Amerikan Settler-Colonial ghetto-hells and prisons--felt/feel the way my younger sister felt/feels, upon her telling me: "WE NEED OUR OWN SHIT!", since her words are an expression of the deep desperation in which so many of us suffer by virtue of ever feeling PENNED IN and SURROUNDED, UNDER CONSTANT ASSAULT and THREAT, by White racist Amerika.

WHY WE CAN'T...BREATHE

The fact that you and I have felt and feel just as deep as my sister, ought to be more than enough proof that WE ARE OUR OWN NATION, otherwise what explains that COMMON FEELING/ETHOS and DEEP DESIRE to be FREE of White control?

Brothaz and sistaz of the same COLONIZED NATION = NEW AFRIKA; desperate to be LIBERATED from Settler-Colonial White Supremacist Amerika--"usa, usa, usa"--in order to finally realize our just due BREATHENING SPACE from the damn persistent and pathological racism, exploitation, degradation, police brutality and murders, perpetual unemployment, mass incarceration

Not that fundamental schisms didn't exist between these two streams of political, social and economical consciousnesses--one rooted in and moved-by an integrationist-Middle Class program and agenda and, the other rooted in and moved-by a revolutionary -nationalist Working-Class program and agenda--as indeed they most certainly did then, as is the case today--2017.

For one, those of a civil rights orientation (i.e., integrationists) perceived and treated ideas of "Black Power," in precise terms, as a program geared towards the inclusion ~~into~~ of especially the Black Middle Class into Euro-Amerikan Settler-Colonial institutions. However, those of a black power orientation (i.e., revolutionary nationalists) perceived and treated ideas of "Civil Rights," in precise terms, as a program geared towards fostering the conditions for a relatively less repressive social environment in which to operate--OUTSIDE OF THE SETTLER-COLONIAL INSTITUTIONS.

For the hardcore integrationists, the very terms or slogan "Black Power," was of an inflammatory nature or even "irrational, racist rhetoric," as their major strategic priority was to accomodate and hence collaborate with the white male capitalist-imperialist ruling class and/or THE AMERIKAN EMPIRE. Revolutionary nationalists only appreciated "Civil Rights," to the degree that the granting of such, could have the net effect of providing greater opportunities to advance the political struggle for national liberation in Socialism, i.e., their aim was to confront neo-colonialism in which the Black integrationist leaders personified against the fundamental interests of the New Afrikan mass-body.

Naturally, when grasping the deep complexities of our

of MOVEMENT. It means and entails MOMENTUM, MOTION or RHYTHM. It constitutes and serves as an ENERGY THRUST or SPIRALING SPEARHEAD. A BULLET'S TRAJECTORY. A Movement is all-encompassing and transcends all boundaries as it's power penetrates every dimension of time and space in a particular social context or even internationally. It's like an ever-increasing ocean wave building and building in coherent roar. A Movement involves radiating organization in NETWORK or COALITION FORCES pushin' forward by strategic and tactical coordination the POLITICAL, SOCIAL and ECONOMICAL objectives which serve as the inspiration of a conscious and organized critical mass.

During the 1950s, 1960s and 1970s, there existed two historic and dynamic Movements which raised heads and deep trepidation across the United States. These were the "Civil Rights" and "Black Power" Movements. As is clear, the terms defining each of these Movements reflect and involve the SPECIFIC MOTIVATIONS (I.E., WHAT THESE ARE "MOVED BY" IN TERMS GOALS PURSUED) which, of course, are in turn related to certain IDEAS centering upon "civil rights," and that of "Black Power." Naturally, there were those of either Movements whom perceived the value and thus embraced some of the ideas in which these two Movements represented.

In other words, on a tactical basis it would have been quite unwise for those motivated by "Black Power," to repudiate in total "Civil Rights;" as to do so, would have merely deepened our oppression. On the other hand, it would have equally been unwise for those motivated by "Civil Rights," to repudiate in total "Black Power," as to do so, would have also merely deepened the oppression of New Afrikans.

= GENOCIDE; inordinant infant mortality rate, homicides related to poverty and our being impacted by a sense of "worthlessness," in a society that devalues Black Lives, white wars of conquest, etc.

This very deeply rooted sense of desperation often causes many to strikeout in violence, self-hatred and frustration at their own people due to anger and hopelessness being so pent up, that it explodes--IMPLODES--against those in close proximity. However, once you KNOW the SOURCE and REASON for that anger and sense of hopelessness, the DUTY is definitely on YOU to CEASE HURTING, KILLING, HATING and being INDIFFERENT TOWARDS THE PLIGHT OF NEW AFRIKAN PEOPLE.

To join the New Afrikan liberation struggle to create the INDEPENDENT HOMELAND in which our SECURITY and DEVELOPMENT are truly STRATEGICALLY DEPENDENT UPON. I've felt just as my sister expressed for YEARS, and shall ever feel so, even if every New Afrikan in this country were to somehow become rich, since as our war-drum, Tupac Shakur, correctly stated:

"YOU STILL AIN'T...FREE!"

I say: Ask the Jews of Nazi Germany did MONEY and BLING --STOP THEM FROM BEING OPPRESSED, EXPLOITED AND MURDERED? No, not Opera, Russel Simmons, Dr. Dre, Michael Jordan, Puff Daddy, Baby, Lil Wayne, 50 Cent, Herman Caine, Tara Banks, Ice Cube, Jay-Z, Beyonce and nor any other wealthy Black are gonna STOP the oppression of OUR NATION, that is, unless they're using their talents, resources and intelligence to aid in our LIBERATION.

Understand, simply because some of us have so-called

"made it"--THEY'VE NOT MADE IT OFF FROM UNDER THE CONTROL OF THE AMERIKAN WHITE SUPREMACIST PLANTATION--doesn't by far mean that somehow we're now "free." So, ^{don't} be played for a fool! Until WE RULE OVER OUR OWN LIVES, WE'LL LOGICALLY REMAIN SUBJECTED AND VULNERABLE TO WHITE AMERIKAN SUPREMACY AND CAPITALISM-IMPERIALISM=THE PRINCIPAL FORMS OF OPPRESSION AND EXPLOITATIVE FORCES IN WHICH OUR LIVES ARE IMPACTED.

COLONIALISM

Again, as Frantz Fanon aptly put the matter of "colonialism," ~~in whatever~~ form it manifests, "it is the ABSOLUTE REDUCTION of an ENTIRE PEOPLE to the STATUS OF A SLAVE." Was not this actually OUR status during what is commonly known and referred to as CHATTEL SLAVERY?

Were we not reduced to the status of SLAVES as a NEW NATION, a nation which at the moment the CHAINS were placed around our once FREE or SELF-RULING and INDEPENDENT ancestors necks, ankles and wrists, i.e., those whom are the actual originators of New Afrikans/New Afrika?

"Enslaved Africans in the South were aware of the Haitian Revolution and consequently sought avenues of escape and revolt against the plantation system. Recent accounts of the Louisiana rebellion of 1811 indicate that those who planned the break with the slave system were conscious of developments in Haiti and the ongoing struggle between Spain and the U.S. over control of Florida. Newspaper accounts at the time of the 1811 rebellion claimed that the Africans' actions were unfocused and disorganized. However, a study conducted by Daniel Rasmussen, in the entitled 'American Uprising: The Untold Story of America's Largest Slave Revolt,' looks deeper into the court records concerning the prosecution

in effect doing the work of our Neo-Colonial and Class enemies in-and-out of our communities due to their wrong-headed reactionary positions, had a profound slogan with practical implications which demands: "Serve The People!"

Those responsibilities which must be served in the People's interests--of course the term "People," must ever be defined since obviously we have to be realistic and extremely prudent with regards to the "enemy within"--constitute the specific elements which defines the organization as a WHOLE entity. Again, all areas of the organization must do their duty based upon and under the total guidance of a Revolutionary Nationalist and Socialist ideology and worldview, i.e., they're to strictly adhere to Working-Class consciousness as this class's interests is the ONLY one which best represents the socio-economic, political and strategic imperatives of the entire New Afrikan nation in alliance with the New Afrikan Under Class and/or Lumpen Elements.

The bottomline to this spiel is that those of you out there whom deem yourself to be for the "People" or into so-called "Blackness," if you're SERIOUS you must either begin an organization on a scientific basis or cause functioning on an individualist plane via devaluing the important strategic necessity of an organizational framework in which to pursue a socio-economic and political programs rooted ever in SELF-DEFENSE.

RHYTHM NATION

What is a... "Movement?" WHY do WE require a Movement and HOW do WE generate one on a broad level? As is quite clear, a "movement" by logical definition implies the idea or reality

community of people, formed on the basis of a COMMON LANGUAGE, TERRITORY, ECONOMIC LIFE, and PSYCHOLOGICAL MAKE-UP manifested in a COMMON CULTURE. ... It must be emphasized that none the above characteristics taken separately is sufficient to define a nation. More than that, IT IS SUFFICIENT FOR A SINGLE ONE OF THESE CHARACTERISTICS TO BE LACKING and the nation ceases to be a nation ... Despite their distaste for Stalin, the Spartacist League claims to uphold Marxism and the National Question, saying it 'is still considered justifiably a theoretical contribution of the Marxist movement' and that when it was written, Stalin's view 'was close to Lenin's.' ... MIM argues that the Black nation meets the criteria described above, while acknowledging that the Black nation has MULTIPLE TERRITORIES (E.G., THE SOUTHERN BLACK BELT, HARLEM, SOUTH CENTRAL LOS ANGELES, OAKLAND), not a single one."

MIM Theory, No. 11, Pages 93-94, 1996

For the New Afrikan Independence Movement (NAIM) "Black Nationalism" is a phase long since evolved from as we recognize that there is no such phenomenon as that of a "Black" nation, i.e., Black doesn't serve to provide any coherent definition in terms of national identity. Hence, it is "New Afrika" which correctly operates to define the "Republic," in which the New Independence Movement struggles to realize--upon the dissolution of the Amerikan Empire.

Organizations are designed to and geared towards functioning in a manner to designate specific responsibilities to those whom serve as its membership. The key words are "responsibility" and "serve." Our bold and extraordinary sisters and brothers of the Original Black Panther Party, not that group known as the "New Black Panther Party," a group whom are

of the uprising's African leaders and the timing of the resistance effort, which was aimed at SEIZING NEW ORLEANS and ESTABLISHING AN INDEPENDENT REPUBLIC." (HarperCollins, 2011)."

(Workers World, Page 7,

Thus, we discern the DEEP FEELING, DESIRE and KNOWN RIGHT for New Afrikan people--US!--to REGAIN OUR INDEPENDENCE ON LAND CONTROLLED BY OUR PEOPLE, was in fact a COMMON or COLLECTIVE CONSCIOUSNESS as far back as "1811," and even further in the past. Yes, many of our ancestors CHOSE NOT TO BE DEFINED AS and nor INCORPORATED INTO the white polities as they instead gave BLOOD & DEATH SACRIFICE, MAROON STYLE; towards LIBERATING WHAT THEY UNDERSTOOD US TO ACTUALLY REPRESENT--A UNIQUE NATION ENTITLED THE RIGHT OF SELF-RULE ON OUR OWN TERRITORY.

This accurate history is purposely and systematically not taught to us as it includes the facts of our political reality. Our ancestors possessed and operated on the basis of a WARRIOR ETHOS, as they were proudly prepared to struggle by whatever means necessary--GUNS, KNIVES, BOWS & ARROWS, FIRE, CANNONS, ET AL--for the TRUE FREEDOM of our people, and NEVER viewed VIOLENCE as somehow being related to a "character" or "moral" flaw, as COWARD PACIFISTS would have us believe to be.

No, it is in fact the VIOLENCE of white supremacy, national oppression, poverty, police repression = "THE NEW JIM CROW;" wars of conquest, etc., etc., that are the result of the permanent "character" or "moral" flaws of Settler-Colonial Amerika, that is to be resisted and liberated from--on an imperative level, if in fact we are wise to persistently struggle for.

In their BRAINWASHING CENTERS called "schools," which TRAIN us to view and think of ourselves as being "Amerikan's," i.e., indoctrinate us to believe and feel that their national consciousness is also our own so as to get us to accept the "Amerikan Identity" as that of our own, we are taught HIS-STORY revolving around the European Pilgrims of Plymouth Rock--a "Rock" dropped on US, as Malcolm X correctly informed us or the "Thirteen Colonies," that ~~formed~~ and came to serve as the foundation of what in time became what is now the "United States of America."

Take notice of the important fact that those whom settled --ILLEGALLY--here and planted the seeds for the eventual rise and domination of the Euro-Amerikan nation or country--EMPIRE--were/are defined as belonging to: "THIRTEEN COLONIES." Those of the "Thirteen Colonies," are ~~where~~ some of the very FIRST enslaved Afrikans were dropped off at to be UNDER THE RULE of the racist = White Supremacist motivated ... "Pilgrims," et al.

That's right! We've been on this land ever since the 1500s --many, many years BEFORE other whites immigrating to this "LAND OF BUTCHERS AND THIEVES!" So, the next time some white idiot tells you to "go back to Africa," you let that racist dog know that WE HAVE BEEN HERE LONG BEFORE HIS/HER PEOPLE, who came to participate in our damn super-exploitation along with that of the Native Amerikans. Thus, in reality and by the concept of Native folks, this land is actually more ~~that~~ of our land, than ANY of the White ethnic groups whom later arrived.

Now, I ask, does not the "Settlement" of those Europeans whom formed the "Thirteen Colonies," clearly inform us that THEY COLONIZED = VIOLENTLY OCCUPIED/OCCUPY this land? Doesn't

Besides elements making up the program of an organization such as previously mentioned, there are also equally important SUBJECTIVE ELEMENTS which are fundamental in terms of the DIRECTION or CLARITY OF PURPOSE for an organization. Specifically, what is being referred to here is the vital need for the organizational programs to be conditioned upon and thus guided by clearly-defined ideological and philosophical components.

It is THESE which must play the major role or in which are the most crucial factors as regards organizational development. In other words, one logically does not build or begin an organization without FIRST deciding upon WHAT ARE THE IDEOLOGY and WORLDVIEW which serve as both FOUNDATION and MOTIVATION for even ~~desiring~~ to form an organization. The ideology, in effect, points to the VALUES and GOALS that are of interest or are the driving force behind such framework.

The philosophy, represents the WORLDVIEW which the organization is ROOTED and thus the type of world in which they're motivated to give sacrifice towards realizing. Since CLASSES have DIFFERENT CONSCIOUSNESSES and hence DISTINCT/INTERESTS; naturally organizations shall be formed on the definite basis of both IDEOLOGICAL and PHILOSOPHICAL ORIENTATIONS = ALONG THE LINES OF POLITICAL TENDECIES.

"The Sparts consider Black nationalism to be 'pseudo-nationalism,' because they believe that Blacks do not constitute a nation. But the REAL 'PSEUDO-NATIONALISM' is the Spart position, which covers the fact that while there is a Euro-Amerikan nation, the United States itself is not a nation, but an Empire--a PRISONHOUSE OF NATIONS. In Marxism and the National Question, Comrade Stalin wrote, 'A nation is a historically constituted, stable

ORGANIZATION

Organization: Elements comprising a FRAMEWORK or SYSTEM-DESIGN towards the realization of an EFFICIENT and COHERENT PROGRAM or STRATEGIC OBJECTIVE

An organization is a TOOL used on the basis of pursuing and realizing a particular objective or well-defined strategic aims. It entails individuals brought together as a group for a specific purpose or common design. The organization thus formed is the embodiment of those beliefs, worldviews, goals and interests which those individuals whom comprise an organization agree upon as fundamental, i.e., what all affiliated with said group are motivated by and stand-on as a matter of principles.

Since in truth it is impossible for one individual ALONE to engage in those areas or various duties (e.g., cultural, economic, political, educational, military, et al) which must be focused on or organized around in terms of our people's needs or interests.

I'm speaking here in terms of the day-to-day pressing issues of our communities and that of our tactical programs necessitated to effectively prepare for a PROTRACTED STRUGGLE of engagement for National Liberation. To accomplish an all-around comprehensive based and relatively even development of the programs in which are imperative to organize our folks and competently engage the Enemy State, we must function within the context of organization(s). By logical definition organization (= ORGANS) implies quite distinctly the operation of diverse interrelated elements composing a WHOLE, i.e., constituent parts functioning on an orderly plane.

this, then, means that the TRUTH is, they and their descendants ARE COLONIAL-SETTLERS, i.e., ILLEGAL OCCUPIERS OF NATIVE FOLKS LANDS? Their own distorted history even admits that the Native Amerikans were already the ORIGINAL INHABITORS of this land.

This is partly the symbolic significance of the "Thanksgiving Holiday," as far as there being SELF-RULING PEOPLES HERE WHOM INVITED EUROPEANS TO ENJOY THEIR HOSPITALITY...ONLY TO BE VIRTUALLY EXTERMINATED.

Yes, Europeans--e.g., "Puritans," "Protestants," et al--are the quentiessential "HOME INVADERS", a crime in which is "now" the crimes in which our ancestors suffered--"KIDNAP!" and SLAVERY. The Original Gangsters" or "OGs" and land-jackers got the nerve to put us in jails, prisons, etc., and treat and call us "criminals," when they're damn ancestors "jacked" a whole continent. Amerikans (i.e., the White nation) are truly the "RECEIVERS OF STOLEN PROPERTY," which is another criminal act under their laws.

It was by nearly KILLING OFF Native folks and forcing them onto yesterday's "KonKentrations Kamps" called "reservations," that led to this land being "HIJACKED" by white folks. To this day, Native Amerikans REMAIN DOMINATED and SUPER-EXPLOITED via the U.S. government and all the various exploitative enterprises across this country.

Yet, all Oprah had to say about this reality was that "It's immoral." She should of said what it actually IS--the ongoing GENOCIDE and COLONIAL OPPRESSION of Native folks. You see, Amerika is what has been correctly termed as a "PRISON-HOUSE-OF-NATIONS," meaning that within Amerika are in FACT many nations which are being RULED OVER by the White Settler-Colonial nation

= Empire, i.e., against those peoples will as they desire to be FREE!

I mean, think about it for a moment: WHAT IS IT, WHEN ONE GROUP OF PEOPLE, FORCES ANOTHER GROUP OF PEOPLE UNDER ITS AUTHORITY? This reality applies to Puerto Rico, Hawii, Guam, et al.

LESSON ONE

freedom or who aren't motivated by^a selfish, profit-oriented (materialism) value system. That the political program and socio-economic consciousness of the ruling class are something in which we can NEVER adopt and nor lend legitimacy, since to do so, functions to promote and elevate their interests.

To put matters plainly, the Capitalist-Imperialist Settler-Colonial ruling class ARE the primary strategic and ideological opponent of New Afrika, and indeed that of most of humanity. As far as the Black Middle-Class from the United States to Afrika, all we need do is prudently examine their socio-economic and political programs and agendas to discover that the reality is this class is ever incapable of advancing a coherent and effective strategy towards national liberation and that of Socialist Revolution--JUST LOOK TO SOUTH AFRIKA, ET AL, AS THE EVIDENCE OF THIS FUNDAMENTAL TRUTH IS REFLECTED IN THE FACT THAT WHITE SUPREMACY AND CAPITALISM-IMPERIALISM REMAIN THE PREVAILING FORCES.

LESSON TWO

correctly said that, "EACH CLASS IS STAMPED WITH ITS OWN CLASS CONSCIOUSNESS," then, we must ever remember that folks such as Dr. Davis of the New Afrikan community, who represent quite serious obstacles towards our true liberation--i.e., the ideo-philosophical orientation of OUR CAPTORS--operate on a plane to whereby it's ultimately THEIR OWN INTERESTS which they're motivated to pursue and uphold.

As we observe being expressed on a glaring level in this country's FARCE "2016 Election," the CLASS ORIENTATION of both the Capitalist-Republican and Democrat Parties are "STAMPED WITH THE CLASS CONSCIOUSNESS" of CAPITALISM-IMPERIALISM, i.e., it is the white male supremacist super-predatory ruling FASCIST OLIGARCHY whose INTERESTS are ever paramount and promoted, even as those of the professional and managerial or "White Collar"/"knowledge-based middle-class," CANNOT genuinely offer and nor provide any type of coherent economic-social and political program which is completely independent of the capitalist-imperialist system-scheme in which they slavishly operate.

For the Democrats, it is "Meritocracy" and/or "Elitism" i.e., those who are trained as specialist in various fields--that are to be relied upon to guide and formulate socio-economic and political policies, ever in conformity that of the ruling class's strategic priorities.

As on an ultimate level, the opposing forces in which we struggle against are those of the ruling Capitalist-Imperialist class, as it is THIS global system of economic super-exploitation which is the fundamental cause of the oppression, racism, underdevelopment, intense repression, et al that are experienced, it is too obvious for those whom are truly for justice and

"In a review of Rasmussen's book, Wendell Hassan Marsh writes, 'The author situates the events in larger, international political and intellectual currents, revealing the sophistication of his subjects that many histories of slave rebels fail to portray. By the author's account, the 1804 Haitian revolution victory inspired slaves around the COLONIES TO REBEL.'" (The Root, Feb. 25, 2011)

Ibid., p7

Indeed, before, during and subsequent New Afrikan brotha and sistaz REVOLUTION IN HAITI, our ancestors here in what is "now" the United States, were deeply influenced and inspired by the myriad of SLAVE REBELLIONS transpiring throughout the "New World," i.e., they, too, expressed the level of sophistication to realize and fight for their HUMAN-NATURAL RIGHTS to EXERCISE SELF-DETERMINATION and INDEPENDENCE, right along with the Afrikan people in settler colonies across the "Amerikas."

You see, it is a normal tendency for ALL HUMAN BEINGS SUBJECTED TO THE CONTROL OF ALIEN OTHER'S, to DEEPLY DESIRE and STRUGGLE FOR...TRUE FREEDOM! Is not ^{this} what the "Amerikan Revolution" was professed to be about?

Of course, by logical definition the fact that Black Afrikan ethnic groups were subjected to ENSLAVEMENT by European Powers--e.g., COLONIES in the form of France, Spain, Portugal, Great Britain, et al--then, as is quite clear, these were actually people, OUR ANCESTORS; being held UNDER COLONIAL CONDITIONS, i.e., the "colonies" of the New World, also COLONIZED and STILL PRACTICE COLONIALIZATION as regards US in the form of DOMESTIC or INTERNAL COLONIALISM. In other words, in New Afrikan peoples historical contexts--e.g., Haitians, Brazillians, Cubans, Blacks

in the Thirteen Colonies, Jamacians, et al--were COLONIZED VIA ENSLAVEMENT ON COLONIZED-NATIVE FOLKS' HOMELANDS.

PICTURE THIS

You're in a swamp and as you're walking through the water, LEECHES begin to ATTACH themselves to your body. Why have these leeches attached themselves to your body? What is a leech? That's right --A BLOOD-SUCKER. Leeches need BLOOD to live and grow. So the reason that leeches attach to BODIES, is for what purpose? To use it as a SOURCE TO FEED OFF OF. Now, the leeches on your body for purposes of feeding off it as a source of food, will ONLY REMOVE THEMSELVES AFTER THEY'VE DRAINED YOU OF YOUR LIFE-SOURCE...BLOOD. So, what are YOU to logically and unavoidably DO, IF YOU WANT TO LIVE and DEVELOP ON AN HEALTHY BASIS?

If you fail to DETACH or REMOVE the leeches from your body, isn't it likely that you'll GROW WEAK and even probably succumb to DEATH? Couldn't your CONDITION actually become a CRITICAL PROBLEM? As your quality of health gradually worsen, the leeches feeding off of your body are "GROWING FAT" or "HEALTHIER." So, HOW DO YOU STOP YOUR BODY FROM BECOMING MALNURISHED or UNDEVELOPED? Do you allow the leeches to continue feeding off of your vital blood or do you ACT to DETACH/REMOVE them? For the leeches, your body represents a "HOST," i.e., an organism in which to feed off of towards THEIR OWN BENEFIT on the plain of SURVIVAL.

The purpose of this metaphor is to show US that, we, too, have a damn "LEECH" ATTACHED TO OUR COLLECTIVE/NEW AFRIKAN BODY in the sense, on an LITERAL LEVEL, that beginning with the Thirteen Colonies and then that of what became the country or territory of "Amerika" and that of the "United States;" ALL REPRESENTED

IZED NATION, in which the Negro-collaborationist/integrationist, Dr. Davis, simply could not bring himself to accept due to the depth of his inordinate level of "Amerikanization," i.e., he, like many educated Black-Amerikans, rejects any notion of our people actually comprising our own unique NATIONAL IDENTITY; as his/their IDENTIFICATIONS goes towards the NATIONAL INTERESTS of the North Amerikan Settler-Colonial Empire, this is the case even in their "progressive guises."

As a political scientists, Dr. Davis, to my mind, was either not genuinely "astute" or he was tremendously strategically incompetent for his failure to recognize and hence acknowledge that Amerika has been in fact long since engaged in COLONIALIZATION, on an internal and indeed external basis. Thus, Dr. Davis is seen to be what he evidently consciously functioned as: A COMPLICIT AND COMPLIANT INTELLECTUAL APOLOGIST FOR AMERIKAN IMPERIALISM, just as so many today continue to dutifully do.

I mean, if George Washington, et al wasn't a "colonialist," why did he espouse and practice the EXPANSION of the New Found Settler-Colonial's domination with regards to Native folks? Why did those of his ilk--"down to Dwight Eisenhower"--project this country's might in regions of the world against the SELF-DETERMINATION and INDEPENDENCE of Cubans, Fillipinos, Guamians, Haitians, Mexicans, Puerto Ricans, Hawaiians and of course that of New Afrikans? What of Korea, Vietnam, etc?

It's the Dr. Davises of the Black or New Afrikan community who represent quite serious obstacles towards our national liberation. It is THEY whom are desperate to ever identify with the colonialist rulers since they're fearful of sacrifice and indeed the duty to decide our own destiny and affairs. As is

descended people. The people of the oppressed nations--in Africa, Asia, Latin Amerika and North Amerika--constitute 80% of the world's people. White North Americans, and oppressor-nation people generally, are the REAL 'MINORITIES,' Another key point about language is that when the Sparts talk about 'racist' oppression INSTEAD OF NATIONAL OPPRESSION, they promote the idea that it is individually held attitudes, NOT the EXERCISE OF GROUP POWER, which oppresses Blacks as a group."

(MIM Theory, No. 11,
Page 93, 1996)

"... Although these remarks were considered far to 'polemic,' for the cultural purists, the response to this question was comparatively mild. It was the COMPARISON OF BLACK STATUS IN AMERIKA TO OTHER COLONIZED BLACKS that so greatly disturbed the American negro delegation. The strongest reaction came from John A. Davis, a founding Professor of Political Science at New York University. Dr. Davis, a founding member of the American Society of African Culture (AMSAC), began his rebuttal of Cesaire's statement by pointing out that 'America' has always taken an anti-colonialist position; from George Washington down to Dwight Eisenhower, every President has taken this position.' What the astute political scientist failed to point out is that it is a general practice for colonizers to decry everywhere except in its OWN COLONY."

-James Spady
(See C.A. Diop's "The
Cultural Unity of Black
Africa, pp. 222-23)

So that matters are extremely clear, the political perspective expressed by ancestor-comrade Aime Cesaire, was/is absolutely correct as far as his understanding and defining so-called "African-Americans" as a people whom in FACT constitute a COLON-

SENT VERITABLE LEECHES ATTACHED TO OUR BODY DRAINING OUR VITAL LIFE-SOURCES in the form of LABOR-POWER, talents, brain-POWER, BLOOD IN FOREIGN WARS, FINANCES, ET AL, TOWARD THEIR OWN DEVELOPMENT, i.e., our malnourishment or underdevelopment as an HOST in the realm of ECONOMICS, EDUCATION, TRADE-SKILLS, BUSINESSES, POWER-BROKERS, LIFE-EXPECTANCY/HEALTH.

This is exactly what GHETTOES are as definite expressions of--OUR UNDERDEVELOPMENT, even as ghettoes represent sources of super-exploitation via our comprising a CAPTIVE MARKET, for both CAPITALIST COMMODITIES and EMPLOYMENT OPPORTUNITIES for Whites = POLICE, COURTS, JUDGES, DISTRICT ATTORNEYS/PROSECUTORS, PAROLE/PROBATION OFFICERS, COUNSELORS, SPECIALISTS, PRISON GUARDS, WARDENS, DIRECTORS, ET AL.

Yes, WE ARE AMERIKA'S..."HOST BODY," just as are Puerto Ricans, Hawaiians, Mexicans, etc. HERE in the United States and indeed as matters relate to foreign nations in which Amerika FEEDS OFF OF via draining them of their vital resources, labor-power, brain-drain, bodies, raw materials, blood, lives, effective leadership, etc., etc. The detachment or removal of the LEECHES from your body, is what in political terms is referred to and defined as--"LIBERATION" = FREEDOM! Yet, just as you'll have to FIGHT or STRUGGLE to free your body from the leeches, so too, WE MUST FIGHT or STRUGGLE to free ourselves/people = COLLECTIVE BODY = NEW AFRIKANS, from the Amerika "LEECH."

To this time, 2016, we've yet to "CUT THE LEECH'S HEAD OFF OF OUR BODY" and this is one of the MAJOR REASONS we tend to remain in a "State of Emergency," e.g., "Endangered Species," "gang-warfare," "drug-trade," "mental depression," "suicides," "homelessness," "foreclosures," "domestic violence," "illitera-

cy," "dysfunctional/fatherless families," "babies born addicted," et al.

The reality is, the LEECH = Amerika WON'T JUST VOLUNTARILY DETACH OR REMOVE ITSELF FROM OFF OUR COLLECTIVE BODY/NATION SINCE IT DEPENDS ON THE VITAL SOURCES IN WHICH WE'RE MADE VIA VARIOUS FORMS OF FORCE AND PROCESSES TO PROVIDE TO HER BENEFIT. It is actually VIOLENCE that we're being subjected since a WAR has been/is being waged against us in EVERY REALM OF SOCIAL-LIFE.

"The review notes, 'The timing of the revolt--when there was little work and the white elites were preparing for Carnival celebrations, paired with the absence of a significant force or order because of American expansionism in Spanish West Florida --speaks to the slaves' POLITICAL and ORGANIZATIONAL ACUMEN. ... A cosmopolitan BLACK REPUBLICANISM seems to have been RIPE IN THE REGION AT THE TIME OF THE REVOLT.'"

To re-emphasize, as is seen our ancestors engaging in REVOLTS, whom operated on the basis of "political and organizational acumen;" were motivated by and rooted in "A cosmopolitan black republicanism," in the sense of grasping and demanding their/our human rights, i.e., they deeply desired and fought for the creation of an independent New Afrikan Republic.

"FORTY ACRES AND A MULE"

As previously quoted Malcolm X said: "Land is the basis of POWER!" Obviously, as the actual NATION in which we are in order to exercise our human rights of SELF-DETERMINATION, INDEPENDENCE

considering the diverse and often antagonistic ideo-philosophies. Thus, when we refer to or define our engagements we're of course the wiser by assuming the responsibility of clearly IDENTIFYING those OPPOSITIONAL FORCES via defining these on a national/class basis so as to project their ideo-philosophical nature, i.e., those INTERESTS in which functions to position them at strategic odds with our movement and which motivates US to resist and reject their political, socio-economic and military agendas aimed towards our World or collective body.

This "opposing tensions," necessarily entails an adversarial dynamic or dialectic which our struggle for national liberation and radical-based communalism aims to shatter and destroy. As there are many so-called "Black" people in the world, there thus inevitably prevails diverse and conflictual class distinctions, i.e., groups of opposing interests vying for political power.

What's crucial and most wise of us to ascertain and determine is exactly WHICH "Black" people/classes, BEST OPERATE and are POSITIONED TO ACTUALLY SERVE OUR INTERESTS ON THE STRATEGIC and DEVELOPMENTAL PLANES, i.e., which are in natural and irreconcilable opposition to (neo)colonialism, white supremacy and Democrat's/Republican's Capitalism-Imperialism, each of which are merely "TWO SIDES OF THE SAME SWORD," devastatingly slicing and cutting through the Afrikan World.

"The Trotskyists pretend to oppose all nationalism, but they are in fact Amerikan nationalists--the most reactionary kind of nationalist there is. it is only within an Amerikan-nationalist framework (or its Eurocentric equivalent) that the word 'minority' can be understood to refer to Black, Latino, First nation, and Asian-

in which our REVOLUTIONARY FIGHTERS, NOT CIVIL RIGHTS-INTEGRATIONIST/PACIFISTS, was that of "New Orleans." Today's New Afrikan Independence Movement (NAIM) carries on this struggle for Self-Determination, independence and state power, as we uphold and value the Revolutionary Nationalist tradition-struggle of our ancestors, and aim to liberate (New Afrika) and control the States of Louisiana, Mississippi, Alabama, Tennessee and Georgia.

No, this is not some "fantastic idea" since it is actually a politically feasible proposition that is guided by a coherent revolutionary strategy in which to be pursued and achieved UPON THE EVENTUAL DISINTEGRATION AND INEVITABLE COLLAPSE OF THE NORTH AMERIKKAN SETTLER-COLONIAL EMPIRE.

Also, it is far from a "RACE WAR" which our movement pursues and nor envisions as the strategic pathway towards our hard fought national liberation as in reality we envision that progressive/revolutionary North Amerikans, Native Amerikans, Puerto Ricans, Mexicans, and other oppressed national groups/classes shall give their sacrifices along the way towards the realization of justice and true freedom.

"Blackness," just ain't gonna get it as our criterias MUST ALWAYS BE ROOTED IN and DETERMINED BY OUR REVOLUTIONARY NATIONALIST RADICAL PAN-AFRIKANIST OUTLOOKS. On this matter, there is no room for exception or compromise in political deviation against our natural interests. Again, as sophisticated and common sense thinking people, we must know that by definition "struggle" implies OPPOSING TENSIONS between two or more entities as logically on the plane of political, socio-economic and military phenomena the human universe cannot be otherwise, when

and STATE POWER, we must CONTROL and POSSESS...OUR OWN LAND-BASE. Under International Law--e.g., the United Nations, World Court, etc.--and based upon ideas of human justice and/or moral decency any people having worked and hence developed a certain land-base and who can show a history of being tied to that land-base, are recognized and treated as constituting the LAWFUL HISTORICAL OWNERS of that territory.

For y'all's information, it is a FACT that the U.N. actually recognizes and accepts OUR HUMAN RIGHTS with regards to that of Self-Rule and Independence, as we're a people whom are perceived and understood to constitute a DISTINCT NATIONAL ENTITY, i.e., a people whom represent those qualities or requisite elements that lawfully and historically define a National Body.

Under colonial-slavery our people were forced to work without being paid as they were viewed and treated as nothing more than mere "Beast of Burden"--hence our legitimate claim and fight for..."REPARATIONS." Many, many of our ancestors are BURIED IN SOUTHERN and OTHER LANDS where free labor or "Blood, Sweat and Tears," BUILT large areas of this country. Thus, morally, historically and legally speaking WE ARE ENTITLED LAND in which to build our own society/country.

In truth, our claim and actual human right to LAND here in what is "now" the United States of Amerika, is more legally due and historically valid than that of the so-called "Jews" or "Israelis," whom claim an human and historical right to the LAND-BASE which they FORCED the Palestinians to exit via the GUN, BOMBS, TERRORISM, DECEIT and with the complicitous aid of Empires = Great Britian, France and the United States. The fact that the "Zionist Movement" collaborated with super-exploita-

tive and oppressive, WHITE SUPREMACIST; Empires, just as did the Mujahadeen, Al Qaeda, et al, ought to be enough evidence to show Israel's founders/rulers criminal-opportunistic nature.

What the majority of us don't understand and realize is that, the United States Settler-Colonial Government = Ruling Class actually conceded and mandated our people are to receive LAND HERE, as well as our human right to SELF-RULE in a policy known as the "Confiscation Act," passed in the late 1800s, i.e., after the Civil War. The slogan "Forty Acres and a Mule" actually concerns this "promise" to our folks, whom SACRIFICED IN HUGE WAYS TOWARDS THE DEFEAT OF THE CONFEDERACY, i.e., to a significant degree our ancestors' contributions to the war-effort by the Capitalist-North, actually made victory possible.

"Maroon COLONIES in the bayou operated as EFFECTIVE BASES from which rebels attacked in the years leading up to the German Coast uprising. Copies of the French Declaration of the Rights of Man were found in SLAVE QUARTERS. Battle-hardened warriors from Ghana and Angola also made an appearance in Rasmussen's version, in which the rebels march in formation and in uniform with cavalry support, not simply to 'give us freedom,' as Cinque asked, but TAKE CONTROL OF NEW ORLEANS and ESTABLISH A BLACK STATE. ... Deslondes utilized access to the plantation house to organize fellow Africans; they severely wounded Manuel Andry and killed his son. They further armed themselves and set off, chanting 'ON TO NEW ORLEANS' and picking up recruits along the way."

AMERIKA A DYING EMPIRE

The quite negative and pernicious developments in which are taking place domestically and globally, to a large degree reflects the fact that Amerika as an Empire, is DYING, i.e.,

UNALIST actually mean with regards to.."STRUGGLE."

As there are particular struggles, at times overlapping, which we're motivated by or deeply concerned with especially in the New Afrikan and Afrikan-World contexts we must be perceptively accurate so as to dialectically assess and conclude which social forces are to be defined and indeed considered as "FRIEND or FOE."

"Along the Mississippi River, as they headed to New Orleans, the Africans burned down several plantations and sugar mills. White slave owners and their families fled ahead of the approaching rebellion, alerting the authorities. On the night of Jan. 9, a detachment of U.S. regular troops and a planters' militia attacked the Africans at the Jacques Fortier plantation in St. Charles Parish, halting their advance toward New Orleans. During the clashes between the Africans and the plantation system defenders, 66 revolutionary fighters were killed and 75 others were captured."

Yes, as seen from the above quote OUR ANCESTORS DIDN'T JUST SIT AROUND OR PASSIVELY SURRENDERED THEIR LIVES TO COLONIAL-ENSLAVEMENT; since in fact many of them, WOMEN, MEN, TEENAGERS, and indeed even CHILDREN in some cases, GAVE BLOOD-DEATH SACRIFICES for OUR FREEDOM!

Many of the Slave Rebellions were actually about securing LAND and BUILDING AN INDEPENDENT REPUBLIC or NATION-STATE, as many of our ancestors understood and greatly valued THEIR/OUR HUMAN RIGHT OF SELF-DETERMINATION, i.e., they realized and hence accepted that in fact WE'RE ABSOLUTELY NOT AMERIKAN'S, BUT ARE A COLONIZED PEOPLE. Notice that one of the TERRITORIES

religious agendas. Due to this inevitable reality of diverse forms of "struggle," naturally such involves particular or distinct strategies and tactics of Movement-Organization. What is extremely important to grasp is since there are many different types of "struggle," that thus means the questions which we MUST ever responsibly pose is: What or which struggle(s)?

In fact, it might even be better for us to ask ourselves-- "Whose struggle and why are they struggling?" I often hear brothaz and sistaz refer to our struggle from the standpoint of "Blackness." They say things like for instance, "Man, I'm wit' my Blackness!," "Push that Blackness!," "I'm ridin' wit' my Blackness!," "It's ah Black thang!," et al.

I have brothaz here in the tomb (prison) whom always say to me "I see you into Blackness, huh?" But, what is actually "Blackness?" What does this saying or term really inform us regarding the nature of the struggle which people are engaged in as far as IDEOLOGY and/or POLITICAL CONVICTIONS, STRATEGIC OBJECTIVES, WORLDVIEWS, PROGRAMS, AGENDAS, TACTICS, ORGANIZATIONAL FRAMEWORKS, et al? If "Blackness" is to be our standard gauge when referring to our struggle, do we not set ourselves up for INFILTRATION via "Buffalo Soldiers"/"Tuskegee Red Tail Air Negroes," and misdirection on account of determining matters based upon "Blackness" or "Black skin?"

Isn't it forever the pattern that it's those WHO LOOK AS YOU DO, WHOM TURNOUT TO BE THE INTERNAL TRAITORS and AGENT PROVOCATUERS? So, as we must recognize when referring to the "struggle," it is crucial and most wise that we in no uncertain terms and ideas explain precisely WHAT WE AS NEW AFRIKAN REVOLUTIONARY NATIONALIST and AFRIKAN RADICAL INTERNATIONALIST/COMM-

it is disintegrating and experiencing stern external forces of resistance--ISIS, Al Qaeda, Maoist in India, et al--and increasingly here in the "Belly of the Beast!" In 1989, Ronald Reagan, the "Great Actor," declared to the rulers of the "Soviet Union": "Gorbachva, tear down this wall!" Yes, the "Wall of Berlin," for some people, did come to symbolize NATIONAL DOMINATION which encompassed not just East Germany, but also that of Estonia, Lathuania, etc.

Had Reagan been genuinely interested in "justice for all," and thus morally consistent he'd of equally declared to the world: "Amerika, free those nations in which we colonize in our 'Prison-House-of-Nations'." Yes, that's right..."LET MY PEOPLE GO!" In the interest of Human Rights and International Laws, this country's "hero"--the "Kipper"--in my fantastic trip or on my "Wish-List," could have conceded that a great injustice is in fact being perpetrated against Native Amerikans and our people, who've been struggling for SELF-RULE for many years before those of the "Soviet Union," i.e., if in fact those peoples of the Soviet Bloc can have been rightly defined and viewed as suffering under colonialization, people of color here in the United States have suffered under colonialization for hundreds of years PRIOR to those behind the "Iron Curtain," even as we REMAIN COLONIZED to this time--2016.

Yeah, as far as any colonial "God-Father," such as Reagan was, actually declaring that this country liberate its internal colonies, this, of course, is merely my "imagination runnin' wild," as I LIVE IN REALITY! I simply raise this quite serious and glaring contradiction to illustrate the "double-talk" and political bombasty of Amerikan politicians, BOTH PARTIES;

since if they're genuinely interested in or motivated by high principles and moral virtues, they'd realize and acknowledge that the U.S. is in FACT involved in COLONIAL SUBJUGATION, i.e., Amerika has long ago erected its own "WALLS" of national oppression which have yet to be torn down!

Yes, the alleged "Land of the Free," does actually maintain a neo-colonial chain of nations, both domestically and on a global scale. Naturally, those who rule shall automatically deny this reality since it's important that most white people continue to believe the strength of their LIES regarding just how "Great Amerika" supposedly is via Her own "Exceptionalism," which many coming from Iraq, Afghanistan, Cuba, Vietnam, Sudan, Mexico, etc., etc., have bought into on a deep level, even as the ongoing oppression and exploitation of Native Americans, Puerto Ricans, Guamanians, Haitians, New Afrikans, et al, operates to effectively destroy the MYTHS in which those desiring to immigrate here uncritically accept--often in their desperation to in fact escape the terrible conditions created by Amerikan imperialist policies.

Why isn't that to be perceived and treated as "A SLAP IN THE FACE?" Disintegration and the eventual collapse of the U.S., as transpired with regards to the "Soviet Union," is a real possibility as negative and unpracticable conditions develop. This is possible, even as there are those who'll make certain theoretical projections and political assessments in which shall conveniently discount such from transpiring, even as no Empire in history has persisted or has been successful at avoiding such an eventual collapse.

They'll come a time when the appropriate dynamics for the

DISSOLUTION of the Amerikan Empire shall unfold or fall in place and it is under these favorable conditions which will function to "open up possibilities" for our folks to realistically be in a position towards finally realizing the attainment of securing LAND for purposes of exercising our rights of self-determination and independent state power.

The demise of "Empire," is BUILT INTO such politically oppressive and super-exploitative phenomenon just as it is built in Capitalism. In fact, unmerciful phenomena such as that of "Neo-Liberalism," operates to foster the necessitated circumstances of Empire in Afrika, Middle East, Central and South Amerika and beyond.

STRUGGLE TO WIN

"Life is a...STRUGGLE!"

On the political and socio-economic planes the term "struggle," carries and has a myriad of connotations such as for example, it could mean the struggle for Civil Rights, the struggle for Human Rights, for Workers Rights or wages, for Women's Liberation, et al. Thus, as is quite clear when referring to "the struggle," it is crucial that we wisely define the TERMS and UNDERLYING CONCEPTS in which WE'RE referring to or have in mind.

Obviously, because there are diverse ideo-philosophical outlooks, these thus logically function to entail fundamentally different objectives and methods, i.e., plans, programs and means thereto for purposes of advancement and realization of particular cultural, political, socio-economic and at times,
