Re: RELEASE FROM PRISON / "gofundme" PAGE

Dear Brothers/Sisters,

I wanted to share some good news with you all. In June, after 18 long years, I will be released from prison; no parole, no probation. Of course I am excited, but I am also very scared. Upon my release I will be homeless, jobless, and virtually penniless. You know the story.

My sister Sandra (~~XXXXXXXXXX~~) has started a "gofundme" page for my reentry quest. I hope you all there can promote the page amongst your social media contacts. You can find it at;

Whatever you can do to help me get the word out there will be great; it could in fact prove invaluable to me.

I am also in need of an affordable single occupancy room in the Boston area. I know Aaron Tanaka used to have some contacts for such housing and I am truly hoping someone there may be able to assist me in securing a single occupancy room, preferable in sober housing but at this late date I will take anything I can get - the DOC's reentry program has failed me greatly. I must have a single occupancy room due to my age, size, and medical conditions: 53 years old, 6', 2" and 405lbs.

Thank you for your time and anticipated assistance. I will be very anxiously awaiting your reply. I am,

In Struggle,
