

HAPPY FATHER'S DAY, GOD ☺ Sunday June 21, 2015

God, I'm not sure what 2 say, but my C7 is melted in me 2 say - something

Again Happy Father's Day, though U alone transcend time & like life as one continuous day w/out end. Amen. Heaven is like that.

I could go on & on thanking U as God but I want 2 take a moment 2 just honor & thank U as my - Heavenly Father.

So it begins -

Happy Father's Day -

we don't tell U that ehuff - it ever (thanks 4 puttin that in my heart back in 2010) ☺

Thank U 4 the amazing job U do in Fathering our spirits
Thank U 4 nurturing our souls with Ur nutritious nutrients from an high. Thank U 4 providing us w/ food, shelter, & clothing. Thank U 4 giving us some of our wants & meeting all our needs.

I appreciate the shoes U bought me ☺ sure they'll be here this week. Right in the nick of time as Mens is comin 2 see me. Plus they'll help my worn out feet, that's gettin so ruff I can scratch my legs w/ the bottom of em. jokes.

Thank U 4 working around the clock 2 put food on the table - smike. U know what I mean.

Thank U 4 delightin 2 give me as the Kingdian

Thank U 4 Ur repeated pats on the back - though I'm not the benchy peely type! Thanks 4 giving us daily words of encouragement, which most definitely got us through some ruff times
Thank U 4 inspiring us 2 hope & courage, & being our listening ear so much so we're all w/ us. Thanks 4 tellin us 2 "Fear not" especially on the 1st day of ~~the~~ school when heavin hawl & meedon others hawl us shock. Thanks 4 being the best sandwich maker in the business
Uncrustables - keep my wife

words of information
 Thanks 4 being disappointed
 work ethic
 I believe in common 20th century
 how a benefit
 conference
 I will always remember
 Sets will done
 Thanks 4 (PR 2216)
 read up bible 2 pray

HPD

God thank U 4 ur discipline & the fact that U chasten those who U love. Thank U 4 puttin us in our place & not lettin us run over U. Thanks 4 not enabling us & reminding us "If U gone live ~~under~~ ~~my~~ ~~rules~~ my roof U gotta abide by my rules. Father we thank U 4 the parameters U set up 4 us, all woth the goal of expressin ur love 2 us & 4 us Amen.

Thank U 4 sittin on the porch day & night waitin 4 us prelogals 2 return home. Father we thank U 1st words weren't "I told U so." Thanks 4 still accepting us. 4. 4goin ~~us~~ us. 4 still callin us "son" / "daughter"

Thank U Father 4 always givin us ur bestest & bringin out the best in us. Thanks 4 helpin us have our spiritual gifts/callin which we inherited by been fashioned in ur image; made in ur likeness

Pops thanks 4 wakin us up 4 breakfast & those one times when we overslept & were "thru those" 2 being late 4 school, work, or that important appointment.

Thanks 4 all the relationship advice. Reminding me 2 "B fruitful - then multiply" 2 know me B 4 I can know someone else

Thank U 4 teaching me 2 walk in love & respect 4 others. Thank U 4 having all the answers. ~~4 teaching me~~

Thanks 4 teaching me true manhood. 2 B kind, kind, respectful, sensitive, sympathetic, compassionate, 2 serve others, B courageous, stand up 4 righteousness, 2 ultimately B myself not some one else

Thanks 4 all the wisdom on dealin with women. Thanks 4 tellin me 2 B respectful 2 value her (& myself) - 2 not get caught up in her physical beauty but 2 let her spiritual beauty reign

Times reminded me "Dad U do ur home work"
