I got 2day Thank U I got but Psalm 46 which came

I did believe this 2 B true. Mainly cause I couldn't  
phantom Y Ur love didn't manifest itself in a wife,  
visits w/ my daughter / Israel ones. Financial gain, single cell, earlier  
release, better co-workers, I am Christian friends, a phone 2 call - consistently,  
be able 2 talk 2 my daughter / pray w/her / tell her how much I  $\hearts$  her.  
Thank U 4 showin me that I haven't been trusting U or even loving U  
like I'm suppose 2. Sorry - I'm pretty messed up. Prison - n- these noise  
levels, not 2 mention the 24/7 foolishness got me highly stressed out ~  
Ouch! Had 2 find joy/pleasure in NB thing. Everything got a "prison dump"  
attached 2 it. Even now the usual suspects R upset that  
I made the All-star team - n- not them. They could care less that  
its a blessing from U (4 whatever reason) - n- that I didn't want  
2 B on the team in the 1<sup>st</sup> place. I so wanted 2 B done w/ competitive  
basketball. But Ur will B done. I want 2 perform well merely  
cause I'm talented enuff 2 do it. But I'm oh w/out gettin

Thnx ps2 :-

large doses of playin time. Had 2 cleat wif durin the season. Plus b-ball is the least of my worrys... God help sometimes I do get an anti-social swag. Prison-n-ids ensue! Hateful nuances have me keep'n people at more than arms length. All the interactions R pretty much -negative/demeure/- not worth my time. I think. Rather HATE R they as well wif backbitin -n-javelins 2 the spine. Tru feelings masqueraded in joshes. Yikes! I can see the disdain in their eyes owh! It's cool though. U R tru -n-will prepare a table 4 me in the presence of my enemies Amen.
