Share something u recently read...

It wasn't something - like a book or a magazine, or in our case a memo - that I read on purpose. Nothing that I intentionally sought out with the intent of furthering my intellectual credibility among my peers, staff members included.

Nope. The thing I recently encounter with my mind came most accidentally, oddly, when I needed it the most. It came simply but elegantly packaged - n- appeared in the least likely of places: the social worker's office. I'm not sure if it was in her office as it seemed I have nothing to do with "social work" as I've come to know it (ie "what do u want?" - u don't deserve nothing - get outta my office -)

Yet, the cup sat there, minding it's own business, till I interrupted it. "what's that on ur shirt?"

Oh, this!" it ~~seemed~~ ^{aim} ~~point~~ ^{point} ~~to~~ ^{to} the scarlet block letters that adorned ~~its~~ ^{its} bosom. "Read 'em for ur self."

So I mentally digest these 3 words. oops I mean - 4.

I GOT THIS - GOD

While the social worker ran down the amenities of PRC I just ~~stared~~ ~~stared~~ ^{stared} at her ~~empty~~ ^{empty} cup which was empty of coffee but full of the Creator. I GOT THIS. humbled me so, in that H-East office on this last day of the love month. A day when I should've been focused on Kevin God mere.

I GOT THIS

Reminded me that I need 2 trust God more.
Reminded me that I needed 2 trust God with
all my heart - n - soul in that very moment. U
see I have a ~~tendency~~ tendency 2 be self-
sufficient. Yes that building block of American
manhood. That red royal stars - n - stripes blood that
keeps me keep pulling myself up by my bootstraps.
This mental compass helped me survive 20yrs in
prison. This "do it yourself" mentality has become
my fail safe. But came 2 find out God views
this as PRIDE - a deadly sin no less, as I became
accustomed 2 subconsciously get'n God 2 "~~follow~~
"follow my lead" This was one of those
times. Figured I could impress the social
worker with my wisdom, logic - n - plethora of
big words she didnt even know I knew, all
in an effort 2 get her 2 assist me in get'n
CAIP - n - TONAT aft my list of needs. Figured
that would increase the likely hood of
my being paroled in October.

I GOT THIS

Had me realize that - I'm 2 smart 4 my
own good. I say "I trust God" but I don't
always. - especially when it hurts. Or when I feel
things R taking 2 long.

Case in point. I'm believing God that
the meaning of the 20yrs prophecy will be
fulfilled. Be it my physical release from

prison or my son 2 minimum (which is a Real ps 2
release from my perspective) Yet despite all of
this "Faith in God" U can often find me
try'n 2 work my own way. X? Cause I get
impatient w/God. I want 2 go home NOW -n-
all God keep sayin is

I GOT THIS

So all I can do is joyfully humble myself under
His mighty hand -n- wait 2 humble myself -n-
realize that I'm the least worthy of all His
blessings -n- mercy. Genesis 32:10 All I can
do is take comfort in those loving -n- ~~ever~~
encouraging words of my HEAVENLY Father

I GOT THIS

what encouragement - new when I cry
"So-n-so get on my last nerve I hear

I GOT THIS

when I cry, but God I wanna go home
I hear

I GOT THIS

when I wonder if I can get the miracle
of minimum I hear

I GOT THIS

when I ~~want~~ want 2 punch in the stomachs
of life guess what I hear

I GOT THIS

N 2 all those flippin out -n- worryin
bout 2 day or tomorrow I encourage
u 2 hear God ~~say~~ (if u believe in
Him) say

I GOT THIS
