I only can Remember her First Name she spelled it Jenie It was only her And her Daddy AND I Remember her Daddy saying they were From Boise Idaho: they were at this old store AND A shoe shop AS I had went INTO the store Because I saw her Daddy inside AND I had him to sew up A RIP IN my shoe AS I went to pay that's when I met Jenie. she was perfect AND Beautiful Blond hair Green eyes AND short AND she was 17 year's old. she wanted me to stay with them Right At that moment AND to go BACK to Idaho to help them with the last of their property so we All could come BACK to their store IN LAFAYETTE Louisiana Because they were moving to Louisiana she had said they maybe gone 9 months to A year. But I thought I was going to see her when they would come BACK. But For almost I would check to see IF they had come BACK even After 14 to 15 year's. After I moved Away I went BACK After All these years. But Nothing had changed AND they Never came BACK that I know off. she was to put the first one-dollar Bill I gave her For Repair on my shoe IN A Frame to hang on the wall: the only other INFO: I had was that she was A member of the Church of mormons: Jenie IF you see this please get in touch with me At my Blog Address.
