Hey there my Niece Jeanette! ☺

This is to Reply to the comment you left on my Blog Post, well on that Name it is correct for my English Spoken Name: But Now in Mexican if I use Raul or Saul or Zaul or Pablo these All mean the same Name only spoken in Mexican so yeah they are All Legal to use. The same as my middle Name Wayne which in our Family they All called me Wayne. I'm glad to hear you got a Family to at least when you get old you will have some one to look after you. ☺ Please tell Josh I said Hello and I'm glad for the both of you being together. And for Him to take care.

Hey sweet Niece I wrote you a whole 4 Pages and sent it to the only Address I have. And that is the one on Avon Street - so I hope you still get mail there. I tried to tell you some about your Daddy's People. But I will write you some more about what I know of OK. I have put in to make a Phone call to your Number. But I don't know if I will get to talk to you. We can only add or change our visit list ever 6 months and I have just in June added one person & had this other person taken off. So it will be 6 months before I could put you on. The best I remember you have to be on my visit list for me to be able to call you. But the request I put in I ask for a special call. So we will see OK. I hope you will see this message soon. Well I love you very much & hope to get to know you a lot better I'm out until!! Next Time
