Dear Christine,

How are you doing, Baby Girl? Yes, I have received all of your reply comments to my blogs. Thank you for being a fan of my blogs, even though, I haven't blogged in a very long time. My life is full and very busy. I am not the same man, that you knew back then.

Christine, you say that you love me, and you talk about friendship, between us. If that is true then, write me personally. You have my address, at the top of this page, use it. We have much to talk about, but not like this. Not when strangers can read everything that we say.

Is it that you want the world to know that I was an ass? That I lied to you, and Z, and hurt you both deeply? Okay, **WORLD, I WAS AN ASS! I HURT THIS WOMAN VERY DEEPLY, AS WELL AS HER SON, BY LYING TO THEM. FOR THAT I AM VERY SORRY, AND I AM ASKING FOR BOTH OF THEIR FORGIVENESS.** Now, Christine, as they say, "that's in the cloud." The world we be able to see that/this for as long as the internet exist.

But I will not reply to your comments anymore, Christine. If you truly love me, and wish for us to have a semblance of a chance at having a friendship then, I hope to hear from you soon. At the address above.

I too, love you, and have missed you deeply. I truly would love the opportunity for you to know the man that I have became. You will be pleasantly pleased. Until next time.

Always,

Marteze
