**HIGHLY COMMENDED**  
**Mr. William Goehler**

I have personal knowledge of the following:

Through his actions to help others; Mr. William Goehler, currently residing at Mule Creek State Prison, has helped dozens of inmates to improve their lives through the study and use of the technologies of Dianetics and Scientology. In the past, he was responsible for getting dozens of inmates onto extension courses of Dianetics and Scientology, and thus changing their lives. In the present, he has formed a group and has been getting inmates Dianetics and Scientology; including The Way To Happiness. This has resulted in dozens of success stories and changed lives. Recently, one such individual was released from a California State Prison after being in prison for 22 years and credits Scientology and Mr. Goehler with helping him change his life, get off drugs, get others off drugs and to be released from prison and start to lead a productive life and is currently on lines at an Ideal Organization of the Church of Scientology. Mr. Goehler was responsible for this and started this individual studying Scientology about two years ago.

Another person from Mr. Goehler's group, had been released over a year ago and the first thing he did was to visit a Church of Scientology and was reportedly still doing well.

Mr. Goehler helped to found a Scientology study group in prison which is called Scientology Prison Outreach (SPO); which continues to grow at Mule Creek State Prison.

This is true,

## Between The Bars

In all of my searching for answers about life, I have learned the most about observing the obvious from L. Ron Hubbard, who had established Scientology to make that knowledge available to us all.

I am writing to you all here between the bars in hope that you will make the above contact information available to every other prisoner you can reach on this blog site. This is the best way to present this opportunity to the greatest number of prisoners. I would also like to be informed here on my blog site of how other prisoners feel about their experience with this Volunteer Ministers Helping Prisoners Program.

You may research the products this opportunity presents by going to:
