

Hi Julia,

FIRST, AGAIN FOR ME . . . "WORKING" LINKS, BOTH GROUP / PAPCO AND GROUP / PAPPAS COLLECTIVE ARE VALID LINKS TO USE IF SAY: I WANT TO REDIRECT OUT TO ANOTHER WEBSITE TO REQUEST A LINK FROM THEM, OR ON MY PROFILE @ WRITEAPRISONER.COM, IT'S A DIRECT LINK? AROUND OF THE FACT THAT WE CAN'T PUT LINKS TO EXTERNAL SITES @ BTB, I'VE BEEN THINKING OF SOME LINK-BUILDING STRATEGY USING OTHER MEANS SUCH AS USING SPECIFIC KEYWORDS, TOPICS OR TEXT IN POST ENTRIES, AND REQUESTING OUR LINK ON CERTAIN OTHER SITES. PART OF NEW FOCUS ON NEW CONTENT, IDEAS, & DIRECTION FOR OUR BLOG(S) THAT'LL BE TAKING PLACE IN THE NEW YEAR (JAN.). YOU'LL RECEIVE THE MEMOS. 😊 ALSO, REMEMBER I ASKED YOU A WHILE BACK ABOUT (FIRST, THE INFO / RESEARCH ON BTB + CHARLIE DOTAR, THEN) NEEDING YOU TO FORWARD AN EMAIL TO DOTAR FOR ME? WELL, THE INFO YOU SENT ME ANSWERED THE QUESTION FROM MY LETTER. WITH US STILL NO WORD OR RESPONSE TO MY REQUEST CONCERNING ADDING OUR CONTRIBUTORS TO THE "GROUP" BLOG W/ THEIR OWN, THE INFO GAVE ME SOME NEW PERSPECTIVE & IDEA OF ↴

↓ (2 or 2)

A BETTER STRATEGY IN CONVINCING B+B. AND SO, AROUND
SPRING / SUMMER OF 2018 I'LL BE SENDING MY PROSAL TO
DETA VIA MAIL, AND TEMMU. THAT'S WHERE YOU COME IN.
IT'LL BE PART OF OUR WELL COORDINATED, MULTI-PRONG
ATTACK. IT AND BEFORE I TELL YOU MORE ABOUT THE
IMPORTANT POSITION YOU'RE NEEDED AS PART OF IT, I
NEED TO FINISH THE KITE (MEMO) TO XYZYST FIRST.
SINCE IT INVOLVES HIS DEPARTMENT & EXPERIENCE ALONG
W/ YOURS, FUNNY THING IS, YOUR "ZINE-RELEASE PARTY"
IDEA HAD A TIMELY INFLUENCE ON US IN AN UNEXPECTED
WAY, WHICH BRINGS TO MIND SOMETHING I ADDED TO MY
LAST WORDS TO XYZYST IN MY KITE: "WDDT MUST SUCCEED."
SEE HOW COLLABORATIVE IDEAS WORK?! WE'RE ON SOME
REAL KENETIC OR TELEKENETIC SHIT NOW! IT ANYWAY,
UPDATE: "WDDT" TITLED ZINE HAS BEEN TOSSED - AFTER WE
KICKED IT AROUND A BIT. WDDT HAS A CLEVER RING TO ME
AND THOSE WHO "GET IT." AND MUST (IF ANY) WON'T PICK UP
ON IT I REALIZE. SO, WDDT IS THE SUBJECT REFERENCE
TO THE YOUR PROJECT & PARTY. LAZOR, CARU. TAKE CARE. . .
