

Most Precious Princess Priska.

September 26
2017

My beloved daughter.

My most precious, near-n-dear only child.

I pray that Ur praying. Prayer helps our ♥ 2 experience
God. (He just gave me that. Praise God).

1st off let me be the 1st to tell U Happy 19th &
20th B-day. I did not get this special day of U's
last year. I was planning 2 send things, but ~~opted~~

ran into a road block. U see 3 letters that I
had written U in August-n-September ~~1st~~ - a week
b4 Ur 19th B-day - came back 2 me "RETURN 2

SENDER" 😞. So I didn't have an address 2
send U NE thing 😞. Crushed 2 the core I was 2
hurt 2 continue. Discouragement is something else...

Sorry - I knew my comin 2 prison - n- been here ≠
Ur whole life hurted/hurts, discouraged U in the
worse way.

I don't know where U R - locationally, but I know
where U R relationally - in my ♥-n-soul-n-spirit.
I ♥ U.

I AM WE

I pray this B-day is the best yet. That God blesses U
-n-surprises U more than U could ever imagine. See
Ephesians 2:3:20

I see Parole - n - have an opportunity 2 come home 2 U 😊
Please, please keep me in prayer begin God 2 ~~be~~ bless me
w/ favor in the eyes of the Board. Lbus (thanks 4 teaching
me that) still believe in God that this bout do be
over. Been 20yrs - n - 14 days. Ouch! Done dreamed 3x's
that I did 20yrs. Amen. Know these dreams were/are
from God Almighty. (Yes He still speaks through dreams) Amen.
Know I didn't give the dreams 2 myself. I'm not that
smart plus I didn't want 2 do 20yrs, been wantin
2 go home since they said "freeze." Does that
make sense? Will keep U posted on the results. Just
confessed a moment ago that we serve a God of
RESTORATION. Amen. God will restore our relationship
2 Garden of Eden size proportions. So Big @ Level. I
can't wait.

Whenever U R continue 2 carry Urself
Presidentially. It's who U R.

My life's been uphill 4 the most part, even
though I had the unfortunate liberty of burnin
my left foot on Sept 5th. Ouch. The blisters
altered everything about my life especially how
I walked. had on so many bandages, padding etc
I couldn't even properly tie my shoe. Did get
10 days off of work - guess I needed that.
Did a lot of thinkin durin that time. Mainly
how 2 bounce back - n - some of "what am I

Daughter -

pg 2

gone say at Parake? Like how will I answer the question "Y should we release U?"

Beyond that been spendin more time with God so as 2 fall in love w/ Him Amen. After all it's His fault I'm the mature loving!? person that I am today. Plus He hasn't abandoned me nor left me hangin all these 20yrs. Even when I missed the game winner, or was sick, or broke, or didn't smell so great!! He the one that's been taken ~~great~~ great care of me (Matthew 6:33 Luke 12:32)

Learnin 2 see, appreciate, -n- value His \heartsuit 4 me. Does that make sense? He even blessed me with a Spiritual Mother. I needed that.

Lord knows that in my life - love has been ~~hard~~ hard 2 find, be around -n- let alone experience. The fact I wear my \heartsuit on my sleeve made it worse - But God has given me a new \heartsuit that's yearnin 2 love -n- B love. I know that makes sense.

What else? Been down more written - 4 the fun of it :- Plus I feel compelled 2 "DEAL" people the knowledge God has blessed me with. Amen. Got a ~~free~~ book I wrote

available 4 FREE DOWNLOAD/Reading
on the internet. www.Prosens Foundation.org
the book is called Bless the Lord O My soul.
"Search" 4 it under my name. It's been
a big help 2 me in my relationship w/ God
-n- I knew it'll be a blessing 2 U (n-Urs)
as well. So B it.

God blessed me 2day as a staff member
ask'd me if I wouldn't mind mentoring another
young man on the unit. Viewn it as an opportunity
2 let God reflect His love 4 "Nick" thru me.
So be it

9-27-17

Just heard a brother-in-Christ mention twice
"I talked 2 my daughter all morning (on the phone)"
Tears eyed - I wish that 4 us. (but not in this
circumstance, necessarily) Always prayin 4
Freedom -n- 2 see U face 2 face -n- express
my LOVE 4 U ~~face~~ whole lockin U in the
eye. Upon my release I plan 2 just
hug U - take a bathroom break - then hug U
some more. I imagine my bottled up -n-
finally unteasted water works will mess
up ur pretty hair. 4 give me in advance -
thanks. Yup I got it all planned out.

the best Daddy-daughter date ever! Bring ur ^{ps 3}
camera phone -n- Facebook this ~~love~~ love.
Our tears alone will viral smile.

Read several good books lately like Life's
Challenges, Your Opportunities, The Joseph Cullin
writing stories, ... Just checked out one last
night dealin with "How 2 love ur children"
Yup I'm planin 2 B the best father I can.
So help me God. (N He will provided I
put Him 1st. Yup we even gotta put Him
ahead of family. That'll make more sense / day)

Other than that just been who I am -n-
preparein 2 "not be here" I've written
the clothin company Under Armour -n- sent
- think it was 12-designs 2 show my talent
waitin 4 a response. Hope the "prison stamp"
didn't scare them. Want 2 write Nike,
Adidas, Kohl's - but haven't felt led by God
2 do it yet. Maybe it's best if I wait
till I'm a free man. Then my past won't be
an issue. I know I can design with the best
of them in spite of.

Puttin together a book of quotes that I
hope 2 have available via Amazon by
X-mas. Think the book will make the

perfect Xmas gift. The quotes R - up beat
colorful, exciting, inspiring, encouraging - n -
from my \heartsuit . ~~be~~ I hope n 2 build
a whole brand behind it. Shirts, hats,
purses, bracelets, bookmarks, calendars, plaques
wall hangings, coffee mugs, journals, maybe a
TV show \heartsuit - n - small community on-line hercl
knows. It will reach far as he wants
it 2 - ultimately.

Even get'n better at poetry. ~~is~~ Thank
u poetry night. Even get'n better at
baking, loving, writing, being available, ~~and~~
walkin in wisdom, designing, basket ball,
shar'n - n - car'n, listening, budgeting, be friendly

Prishia - if never tell u nothing else I must
remind u 2 accept God's invitation 2 B
Lord of ur life. Truth is eternal life
isn't just about "goin 2 Heaven when u die"
Nope Eternal life starts now. That's y Jesus
said "Ur will be done on earth as it is in
Heaven." Yes God wants 2 give u Heaven on
Earth - will u let Him? All ur pain is only
a testimony of what God brought u through,
saved u from, delivered u from etc. Scars
R story starters. Ask my foot -

So what can God do 4 U NOW? 4 starters
 give U breath, better health, wisdom, peace
 of mind, assurance of salvation, ... He will (wants 2)
 lead U, guide U, nurture U, protect U, ~~re~~ restore
 U, Resurrect Ur spirit, give U courage, tell U
 who U R - in- am destined 2 B, reveal the gifts
 - talents He gave U, show U x U were born
 in the 1st place (from His perspective, which is
 the only one that counts) Jeremiah 1:5. He
 will boost Ur ~~self-esteem~~ self-esteem
 Exodus 3. He will comfort U, encourage U, love
 U - He HAS - n- will continue 2 accept U
 He looks at the heart, not the face, weight,
 fashion, bank account, number of friends or
 followers etc. ~~Proved~~ 1st Samuel 16:7 God
will meet Ur daily needs (n- some of Ur
 cravings - n- wants. He understands :) He'll
 be Ur listening ear (Isaiah 50:4) Ur friend,
 Ur secret keeper, Ur spiritual nourishment, Ur
 Heavenly Father, Ur wonderful counselor, Ur financial
 Advisor, Ur lawyer, Ur helper (He helped me
 make some delicious biscuits on Monday. Praise
 Him each time I got a compliment 😊) Ur
 employer, Ur sustainer, Ur everything. He's the
 perfect match-maker as well better than
 Match.com :) Trust Him - n- watch what
 He do. Promise. If U 'a questions please
ask.

Every job I had in 8 1/2 years was hand delivered. Some ~~times~~ times I had 2 offers on 1 day. Other times I just walk around - Smiling - n- people be like, "Hey U want a job - we'd love 2 hire U. 😊" God has ~~had~~ had people buy me shoes, food, paper pens, clothes, books, etc. Even came 2 my aide physically -

B4 I end just came 2 ~~help~~ me 2 tell U how God operates... When I was 18 I wanted 2 B a Dr. (Eventually I'd marry a nurse!) Upon coming 2 prison I was forced 2 give up all hope of achieve'n this dream 🙄 well on Tuesday:

2pm September 13, 2016 God "handed" me some information that changed my life - officially. I was lookin up the word: TEACHER - n- came across this definition "Doctrin". Doctrin - from the Latin "doctrina" based on the verb "Doceo" = TEACH -

So since TEACHER'S teach Doctrin N I'm called 2 TEACH that makes me a Doctor. Did U see it? in the words - n- spelling ?? hope so

Prisha I'm strivin 2 love U the best I can under the current circumstances. Promise. I knew in my ♡ that 1 day (soon) I will be able 2 gift U w/my presence - like Dad's R supposed 2. - I AM WE.

My daughter

I do things with fathers-n-daughters interaction make me cry 😭. Find myself missing U more than ever. U R worthy 2 B missed. Hope that made sense 😊?

Well as I was thinking about U 2day I was inspired 2 Encourage U 2 --

Find. Pursue. Embrace. Ur God-given identity then walk in it (live it out) -N- Ur life will be successful. I promise. So does God.

It's when we try 2 live up 2 our own ~~expec~~ or other's expectations (will) for our identity (who we R) that we run into trouble -n- an unsuccessful life 😞. If U don't believe me than ask me how I know. I ♡ U enuff 2 tell U.

I ❤️ U
I AM WE

Check out the TV show

Empower Lunch

Thank u!! ♡ it

being a business woman is in ur future 😊
