Alyssa,
hello, how are you? Thank you for writing me back! Wow... pretty intense.

I'm glad that you liked the picture. I don't know about talented. I do it to pass time. Seems like there is a lot of that here. Lol.

So what do I have to do to get a picture of you? It would be nice to put a face to the letters (thoughts). Ha Ha. But seriously I'm dying to know what you look like.

I am really wishing you were here. The things you wrote sounded like fun. When you started dripping I would want to bury my face in it and lap up your yummy! Maybe slip my finger in and slowly finger you. Then I would want you to ride me... mmm. So I could watch your facial expressions also so I could squeeze your nipples. I am so ready to get out God! I bet your super tight aint ya?

What Country Bands are you into?
I don't so much like country but some songs are cool. I like Twentyone Pilots. They have a song called Car radio its awesome!! I like little big town.

I love Chocolate... OMG! So good Eat it by the Bag.

What does daisy smell like? I bet it smells good. I like True Religion. That's to die for.

The Most erotic scent ive ever smelled? Never really thought of that. I love the way a woman smells when she just gets out of the shower. When her skin is still a little damp and

② Her hair is wet. That turns me on. OMG.

The longest I have gone without sex is 3 years!! That's a long time.

The Most Comforting things I have in prison are pictures of my children and a parole date!!

The habit I would most like to give up is drugs. They get me into trouble. I like coke but it hates my #.

I had the most fun in my life when I was with my children. My kiddos are amazing. My little boy looks just like me. Cassidy looks like her man.

The best thing about being a Man? The role of father to my children. I always thought being a Man was being tough and not taking any crap but my son breaks down those barriers and lets me know that being a Man is just standing up and being there when it counts. I've ran from things my whole life. Tried to hide behind drugs or whatever. Being a Man is doing right when nobodys watching.

Sorry if I bored you or didnt make any sense.

So what do you do for fun? Do you play in any sports?

Do you have any tattoos? Would you if you dont?

Best Book ever read? To kill a Mockingbird

Best Movie ever watched? Dead Man Walking

Favorite sex position? Doggie

Role play? Never have but would like to.

Why did you start writing me?
