

"PEACE"

Can we Find Peace
through the death of another?

Can we Find Peace
through homicide?
Peace in Killing —
our Fellow man!

Peace cannot come
through the murder of another!

Peace cannot be Found
through violence death and destruction!!

A mind that tells you...
that killing brings peace.
Is a mind that's twisted
with vengeance and hate.
yet you try to Find peace
tranquility and closure
through executing your Fellow man.
yes — you Chase Peace
through this death and destruction.
yet all I see...
is madness in your Peace.
