Dear "jazminicole 07"

U have a beautiful name. May U live out its meaning. Please know - U R God's daughter  
U will not fail or falter.  
Smile.

I got ur "comments" at 9pm. I say that cause "mail call" is at 3pm. Got 2 letters, then a late one at 7:43pm - then at 8:10pm I was told "I got more mail 4 U when U came back (from the library). God's timin is perfect n beautiful (Ecclesiastes 3:11) Ur letter caused me to get teary-eyed myself - n lose interest in the football game. Amen. As God placed U deeply in my  $\heartsuit$  knew I had 2 pen this ASAP. I pray God gives me the words 2 say. words that will touch - n significantly impact ur  $\heartsuit$  - n soul 4 all eternity. So B. H.

1<sup>st</sup> I'm grateful that U read the letter (most people can't make out my hand ~~written~~ writing): the fact that it helped U find solace in sheepling a few tears, blessed my  $\heartsuit$ . Reminds me 2 keep writing from my  $\heartsuit$  - n - be ever

Faithful 2 the gift entrusted 2 me. Glad U "loved it" - that means - I assume - that there were ~~see~~ words Ur ♀ desperately needed 2 hear (n- finally heard). When I made the decision to "take it public" I thought 2 myself - even if Prisha don't read it, least I have released LOVE into the atmosphere - n- maybe touch someone else's life. So apparently these "beautiful" words were 4 U as much as they were 4 U. 🙄

My 🙄 R also a result ~~and~~ of my listening 2 Ur ♀. I can feel the emotional toll Ur Father's absence has taken on Ur ♀ - n- overall well-being. I hear U ask questions like, "What did I do wrong? Does he love me? Y is he neglecting me? Doesn't he know I run 2 the mailbox everyday hope n 2 hear from him. especially on my birthdays - n- holidays. Oh how I would love 2 get a card, especially a hand drawn one from him. If he would call I would keep 2 the phone ♀ skip n beats as I accept the "collected" call from - my Dad" - n- anxiously tell him all about my day - n- hear about his. Oh how I yearn 2 connect n him - n- just make a connection with him. It's what every daughter wants."

gazmnicole02, I'm gone pray this very night that God touches Ur Father's ♡ & sit down -n- write U a lovely love letter -n- not only apologize 4 keepin U waitin, but explains what's gotten into him. Will also lift U-n-Urs (mom, Pops siblings etc) up at services this week.

Don't know Ur Pather but I do know a lot bit but the prison experience (been here 20yrs) One thing I've learned is even the strongest /toughest men R no match 4 OSMOSIS. Fancy way of saying - spirits R contagious. Sometimes people in here adopt other peoples attitudes, mannerisms, swag - etc, consciously ~~or~~ -n- subconsciously. Runs so deep 1 person will mistreat/neglect his family cause he's ~~normal~~ sees that as the norm.

Case in point - when U said "Ur daughter is extremely fortunate 2 have U" I  cause I didn't always get it right - as a man or as a father. I got locked up 18 days before her September 29th due date " how horrible is that ?? then in '99 I was cuffed a bench w/ her till 2004. X?

At 19 I was still a child (strongly influenced by my environment) - n- didn't write because I was like "Her mom give me a letter. I can't write her till she write me back." That was one of the dumbest things I've ever done.

When I came into maturity - ~~early 2000s~~ <sup>mid 2003</sup> I realized that whenever I got back in touch w/her I would never let her go. I kept that promise since 2004. Amen

Give me, I haven't always made Parsha the luckiest daughter alive. But I get that off my chest. But I'm glad U can see "I'm trying"

This just in Ur Father may be so ashamed of ~~g~~ coming 2 prison. That he deals w/the hurt, pain - n- regret by "ruin'". I sense in my  $\heartsuit$  that he loves U deeply. 4 the record - I  $\heartsuit$  U w/the love of the Lord.

I know my daughter knows - n- believes the love I have 4 her. I also know she lived of "wishin' me home" It's ~~under~~ understandable. It's in tune w/her love language

Know it's hard 4 her been forced 2 know her Dad only through letters, pictures, DVDs, gifts, -n- like 3 phone calls. I know cause it was hard 4 me (still is) 2 watch her grow up in pictures - half the time - wonderin "what is she like in person? What her voice sound like? What makes her laugh? How tall is she in relation 2 me? How does ~~she~~ she feel about me? Me -n- her got matching hearts & so I know her thoughts were similarly situated. Even know I look at her childhood photos -n- day dream of my being there during that important part of her life. I imagine her blushing, askin me questions, -n- wrap'n herself around my leg when new people R introduced, etc --

U inspire me 2 write.. Ur response 2 my letter left me encouraged -n- just overwhelmed w/a sense of duty - responsibility -n- purpose know I'm called 2 change the world, w/my God-given words. thru U God reminded me that I don't have 2 B professionally published in order 2 affect the lives of others. On the flip side He's let'n me know - once I am published the things I'm inspired 2 say will have a positive

impact on the lives of others. Amen. Thank u  
lookin 4 word 2 see in my book on Amazon. I  
will keep u posted via this blog of it's  
release date. It may be shortly after Christmas, but  
I'm prouder it's B4. I can tell u it's a book  
of quotes ~~is~~ - original ones - like "Destiny doesn't  
believe in luck". Does that make sense? But  
right now I have a free book available 4  
reading/download at www.PrisonFoundation.org  
Just search 4 it ~~by~~ via my name. It's a  
journal designed 2 assist ones in drawin closer  
2 the level Jesus Christ. Cause all I can truly  
do is offer u Jesus loving services through me.

Be encouraged. The tone of ur letter -n- ur word  
choice reveals ur inner strength, as well as ur  
willingness 2 4give the wrongs committed against u

I'm here 4 u best I can be -- see I've been on  
both ends. I've shared the my been a Father side.  
Allow me 2 share the son side. Grew up I was  
in-n-outta foster homes (5-11) courtesy of my mams  
incarceration. She never called or wrote durin those  
formative years -- -n- I only recall seein her 4  
15 min once. Didn't go very far havin 2 split the  
time w/ 2 of my 3 brothers (the other brother was sent 2  
relatives) My pops was MIT pretty much my whole life

was awkward 2 receive him back in my life.  
Only cause I only spent less than 9 months w/him  
(off-n-on) the whole 28yrs B4 his rearrival.  
We had a good run - 2yrs. Then nethin 4 yrs then  
a letter - last year - then nethin since. Keep in mind  
he's FREE, livin in Houston, TX.

Though my relationship w/both my parents is  
unfortunatly shallow - cause of our time apart  
(haven't seen my Mom in 15yrs; my Dad in 22yrs)  
I don't worry 2 much. See God reminds  
me in His word. "When my father & my mother  
forsake me, then the LORD will take me up."  
(ie parent me, take care of me, ☺ me, etc.)

May God bless the reading.

I return the "God bless"

Most sincerely,

  
Antoine

as well
