I'm so very sorry Ur earthly Father let U down. That's not what I designed or created him 4. So I'm just as hurt as U R by his (past/recent) mistakes. Sadly it seems some mistakes have consequences that R on goin. Bein in prison bein 1 of 'em. I know Ur hurt, I know Ur hurts, I feel Ur pain so I cry with U - n - 4 U! Yes whatever hurts U, hurts me. We 1-n-the same like that. U R flesh of my flesh. Amen.

I know U feel abandoned, 4 saken, less **♥**d, not 2 mention - neglected - n - rejected. U have every right 2 feel that way. Believe it or not I've been there. My own children, who I created - n - would do NE thing 4 rejected - n - despised me. Though I **AM LOVE** MY very own children left me feelin - less **♥**d. People don't think I have feelings, but I do. (How else do U explain: Jesus wept)? Because of these emotions I AM capable of not only "feeling Ur pain" but feelin it 2 the point where I have come down - 2 intervene.

N I will never leave U. That's my word.

See, My ever precious daughter, **I ♥ U**
