Dear Rita,

10-20-17

Thank you so much for writing. I sent you a letter to your home already - I hope you got it.

It looks like you'll be visiting George soon. I really hope this visit is much better & easier than the last one.

You seem to be as busy & active as ever! How have all your classes gone? Did your painting get picked in the contest? I sure hope so.

And how was your visit with your family? I hope that went well too.

Nothing much going on here - just the usual struggles. Take care of yourself & I hope to hear from you again.

Hugs,
