9TH GENERATION (GREAT [6] GRANDCHILD)

DEAR Son,

This is just one branch of your family tree - As you will see in future posts, this branch of the family has been traced back to free, church going, property owning citizens before the signing of the Constitution in 1787!

I look forward to a time when we can add Arthur's branches. Perhaps some research we can do together. Is Barnes, Franklin, Sims, Marshall, Williams, etc. Then we can take a trip to Panama and start all over again. :-)

By the way check out your Grandmother on Free book - Kathleen Field. Tobihanna, PA. She's been trying to find you (for me) for years. She sends her Love and looks forward to hearing from you.

All Love -
Dad
