"An attitude of gratitude" ~ really? Really! BE grateful [fr. pleasing, thankful, fr. gratus - more at GRACE]. Grace ~ really? Really! [L. gratia - favor, charm, thanks, akin to Skt grati - he praises]. Ia: unmerited divine assistance given humans for their regeneration or sanctification.

Yes indeed bro; wax enthusiastic and you'll very soon feel so!  
Enthusiasm of course, is defined as: [Gk. to be inspired, fr. en + theos], right? So that means an Enthusiast is a person filled with enthusiasm: one who is ardently attached to a cause, object, or pursuit / one who tends to become ardently absorbed in an interest.

Where is your FIRE bro? What are you ardent about? Where has your very arduous trek taken you? Ralph Waldo Emerson pointed out: "Once you make a decision, the universe conspires to make it happen".

You of course must Remember; Each man's universe is his own creation, being the consequence of the interplay of the various aspects of the kind of virtue - unity he is with the various possibilities open to him. Each man's universe is therefore a unique selection of possibilities. Do As Thou Will, is the whole of THE LAW.

Isnt Life beautiful? It seems to reflect what we project, doesnt it? Yup! And yet sometimes we get tripped-up by other's projections too, making their viewpoint affect our own. Dont fall for it! You've studied to show yourself approved, havent you? Far more than them in the herd. So show what you know! Flourish and Prosper, as you deserve.

WORSHIP the POWER of NATURE, and Be Blessed.

For the Love of Truth.
