IN LONDON JUNE 13

Lindsay Lohan in a oriental outfit. It's form fitting design leave no doubt that she's ever as sexy and sensually adventurous as the well kept oriental culturized Pink Toe. If there was a supply of precuring supplies for [MY FASHION GOSPEL GOSSIP] have no problem Her next outting...? TO LOOK FIT AND [GOOD... I wonder...?] IF I could get a copy of that Playboy issue she did, you - - know!!! just for male curiosity sake...

IN NYC JUNE 12 IANA GLAZER.

I'm to sure who she is. But, I love the Pin-strip feminine outfit - it drop so low into a bikini strap cut and or deep v-waist or open mid-section blazer, which reveal her feminine mid-section. The poor girls don't have a cleavage... But, with her body physique... she don't need one. And - I love the lace body suit under it. she tells any person who's reading all the right signs correctly what she's willing to do and feel for the evening.

[MY FASHION POLICE
I'm put

It's just that DARK thought of hers, which cause me to have ACP thoughts... BITCH!!! We can both go there! If restraint is not in your vocabulary... In our lives endeavors, we all search for our right path to travel down in this road of life to be our best you... she... looks like she on her way. I only pray she find the right healthy nourishment to be her most beautiful self.

IN PARIS JUNE 15

Je'line Dion. 3 piece suit with a halter top. everyone has that full adventurous, youthful person within them with a dare...

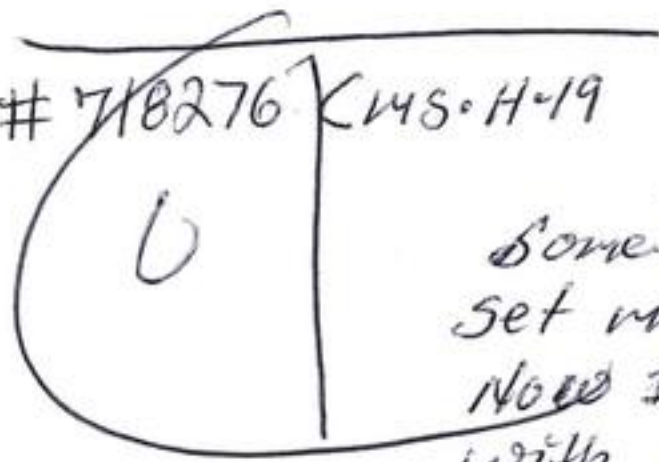

IN TORONTO JUNE 18

Camilla Cabello. I love a sexy message from a women who's trying to get ahead. It's at times the philosophy that entrap us, that we strive to break free of...

The only smoke I like... is when it come from a joint. (weed only... please!) is our best foot forward good enough to be victorious.

TO BE CONTINUE.
