Response - Vers - Reaction

When Jesus was on the cross,
One man was angry, he
reacted with hate. The
Other man on the cross
responded with love.

We have choices. We
have choices! We
will have

some circumstances
in our lives
and with our relationships
but it's up to us to make
a choice and grow and
respond in love. Value
your friends and
family. Tomorrow
is not promised. So
love hard!
