

RANT TO RAVE

11-RTR 11-2017

I'll Admit it. My TASTE in females can go down the Gothic, Toon, eccentric Road. I Love it when chicks have Ink, Piercing, IS A sex Demons, (non Hostile - Please!) Angelic, Natural Transformation (Be careful I'll shoot!) (Repeatedly!) mystical tongue and body parts. JUST AS LONG AS they understand I'll not be

sadly

So... I Ask myself... what is that Kat von D, John T swordfish theft?

Not of the decade, or of the century, or all times. But a theft so great that it's so horrendous it's turn into **2029** A Nursery Rhyme and thought to children as they sing it conveying the warning and to aware themselves...

I can only come up with one property. That each individual whether man, women or child inherent at Birth to possess... to enjoy at the coming of age...

So... I Ask myself... what is that Sharon Stone, Michele Pfeiffer, Holi Berry, Kat von D, 'CAT women', Ocean, 10, 11, 12 (And 13. L is it a 14?) John T. swordfish, (Theft) that's worse than taking your body as a host and navigating it as the Hostage please. I - mean... at least you still experience what pleasure you may encounter. worse, than commanding your mind and mouth to speak at their command.

RANT TO RAVE

11 RTR 11-2017

The only thing I can think of is the Theft of sexual pleasure. Just imagine. An organization, entity, body of Being controlling when you can get off. The intensity of that climax, for their own goals, objectives, benefits. you can take my life. But at least I will still feel sexual pleasure until the day I die. you can commandeer my fucking body... But at least I will still get the fuck off. But what good is life if you take the most pleasing sensation, away from me...

Sexual Gratification.. OR strip away the sensual pleasure of the act and climax. oh!

you can have will not be as you'll have an like you're peeing

THE Thief!

an sex Arousal But it intense as mine. oh! organism But it will feel or you'll have an organism sensation or a very slight

feeling of pleasure etc. But that's it. This is one of the battles I fight daily. I fight the Jennifer Peddicord, Nicole Thornton, Lindsay McIntire, Sarah Rutledge, Lois Lindsay Green, Trish Escadora, Sharon Duke, Charleen Grimes etc. Kat von D's, The Richard Yentler, Ricardo Michel, Joshua Corfman, Dean Davis, Scott Buttrick etc, to return my erection, the scent of my semen, the quality of the pleasure of such climax, masturbation, and hopefully one day sexual intercourse. And, don't forget the independence and privacy of such act. I don't want you to fuck someone for me so I can experience such pleasure. I'll rather do it myself.

Imagine being in a freezing cold cell, 76 degrees or less. The purpose of the temperature in the cell is to strip away the scent of your ~~semen~~ semen, the quality of the pleasure such climax your sexual/sensual pleasure when you masturbate.

Now imagine the same entity attempting to blackmail / sanction you for masturbating, having unauthorize sexual intercourse or bribing you with intense sexual/sensual pleasure.

The United States Government are aware of this happen within it's governmental departments, cities, departments of correction, especially in Washington State. and is helpless to stop the participants. Choose not to stop the actors for whatever reason.

In this country the citizens have that inherent right to defend themselves and physical property from acts of injustice. we are given weapon to protect ourselves and property from crimes, should one then have the right to protect themselves against such bribery or theft.

I hate it immensely when one of these co-s says to me... I'll give it back. I didn't know you would be so broken up about it. Next time learn not to come to prison or commit a crime and a greater crime want be committed against you. It's just one problem with this philosophy... I don't need to articulate to you - the reader what that is... Because I'm sure you know...

I know that I may not share the holidays with you the way I desire. But if you should invite me over your house for the holiday by down loading this onto your electronic device. This is the dish I should bring for our consumption.

They said they would pay me off if I didn't say anything. Sgt. Jo Porter kept attempting to get me to drop the grievance. The word is that they do in fact have the \$10 dollar money order and pictures and a secret file somewhere. I informed them that I would write my mom that night, explaining to her the situation and that the cops said they would kill her and my family if they say anything - to which I did. I was also threaten to have my property destroyed. ~~see~~ see attach sheet.
