## TAKE ME TO HEART

"Take Me to Heart," is a Chap Book of Poems compiled to offer a diverse and intimate look inside death row as Ojore sees it and lives it. The poems touch the heart and inform the mind.

With poems such as Deathrow Arrival, How I Feel, Where Poetry Lives, and Vitamin C.

This Chap Book, is Ojore's clarion call, to those who stand against Injustice and for the Abolishment of the death penalty. Ojore is an "INNOCENT MAN," Wrongfully Convicted in 1999 for crimes he adamantly insist he DID NOT commit.

Stranded on California's death row at San Quentin Prison, he ask for your support to challenge the Injustice imposed on him and to overcome the Obstruction of Justice by the State.

ALL proceeds from the sale of this Booklet will go toward Ojore's "Defense Fund," to hire Qualified Counsel, who can Save his Life, Achieve Justice, and Procure his Freedom.
