TAKE ME TO HEART (SEE: FLYER)

As promised, I present to you the completed two publications above. The New Projects are books of Poetry, that give you some insight into my life and my existence on death row.

"Tribulations of A Geto Kid," are a collection of poems that provide some insight into my childhood, upbringing and my outlook on the world and life.

"Take Me to Heart" is a Chap Booklet of Poems, that provide a peek into my exist on death row, my perspective, my daily ordeals and how I endure my unjust predicament.

All poems are poignant and from the heart.

As a Poet, these poems were wrote to give voice to my thoughts, now they are a "KEY" to "MY LIFE & FREEDOM". Therefore, I ask for your Support and Purchase of these books TO HELP ME PAY for Counsel and Contribute to "MY DEFENSE FUND". If you wish to learn more about "MY WRONGFUL CONVICTION," I ask you to visit my "FREE OJORE" Homepage (See Link Below) to be further enlightened.
