Hey Mike,

Thnk you for taking the time to read my words, I sincerely appreciate it. It really does mean a lot to me, to know that I'm enlightening others and hopefully providing you a view of society you may have never considered. If we expect to be the people and society we claim to be, we must be open to the truth and be able to accept it and stand on it.

If we believe Justice is blind, then it makes us complicit in Injustice.

Mike, I hope you will SUPPORT MY SELF-ADVOCACY and purchase my BOOKS? It will HELP ME in My Fight!
