I want to take the time to thank you for your time and help with this blog. And for the kudos. It feels odd, to be a grandfather while still in my 30s--and I love it!

Means I might live to be a great-grandparent .. by 60?

My book is coming along good. Of course, it's proving to be a lot more work than I originally intended; but, it'll be worth it. I hope. At the least, I spent my time constructively. Thing is, I feel in my gut that I'm doing the right thing.

Again, thank you for your help.

Each transcription, is a notch in my life's belt. A little glimmer of URL-forever-hope in a dark world that seeks to snuff me out like some insignificant bot. A little glimmer that will sit in wait for all those to come.
