PART B - LEVEL I RESPONSE / PARTE B RESPUESTA PRIMER NIVEL

EILEEN... I'M sorry... I know what the definition of Inadequacy and self humiliation-FBI like. A man feels inadequate when no matter what he does. It has no immediate resolution. I can't stop these corrupt, crooked, highly organize illegal correctional, law enforcement, judicial officials from impeding me from receiving the letters you send me. I only can inform you that I'm doing my best in resolving the matter.

If you're a female who have tried to contact me in the pass... and is captive by these individuals. No matter what they tell you. Don't worry about what you have lost. If you're able to escape... do escape. If you're able to contact the federal authorities... do it... we both do that a lot of these individuals are law enforcement officials. If you can't escape them and is unable to contact the authorities... they're very powerful, manipulative, influential. But they can be defeated. Don't trust anyone. Build your awareness... look out for the trappers they're only out to still your beauty. And... escape or stay alive. My life is no more important than yours. Don't believe them. Consider your life only... it's not too much they can subject me to regardless.
